for her bad fashion sense a love for all things natural and the inability to get a second date Poppy is beginning to wonder if she might be misaligned herself Poppy's route to self discovery will be an unnatural one involving a plastic surgeon of all people a condemned house in Santa Cruz and a wedding date from the dark side It's enough to send a girl and her gal pals running for their favorite spa

**Nip/Tuck** Roz Kaveney, Jennifer Stoy, 2011-07-22 Promoted as a disturbingly perfect and deeply shallow television drama and created by Ryan Murphy who is also behind the teen musical show Glee Nip Tuck has been one of the most popular and controversial shows on cable TV The misadventures and soap opera esque entanglements of the lives of plastic surgeons Christian Troy Julian McMahon and Sean McNamara Dylan Walsh won Golden Globes and boycotts from the American Family Association Yet as this first full critical examination of Nip Tuck shows ironically the show is an examination of the American family and its many definitions anxieties and complications of gender and sexuality and the class issues and illusions surrounding the American dream It is also revealed as a glorious televisual melodrama full of Gothic tropes and contemporary sensationalism and at the same time a deeply misanthropic satire on the American dream with a sometimes highly problematic portrayal of women and minorities The book also features an interview with frequent Nip Tuck director Elodie Keene and an episode guide

**Transforming Bodies** H. Steinhoff, 2015-05-26 At the turn of the twenty first century American media abound with images and narratives of bodily transformations At the crossroads of American cultural literary media gender queer disability and governmentality studies the book presents a timely intervention into critical debates on body transformations and contemporary makeover culture

**The Big Smallness** Michelle Ann Abate, 2016-02-12 This book is the first full length critical study to explore the rapidly growing cadre of amateur authored independently published and niche market picture books that have been released during the opening decades of the twenty first century Emerging from a powerful combination of the ease and affordability of desktop publishing software the promotional marketing and distribution possibilities allowed by the Internet and the tremendous national divisiveness over contentious socio political issues these texts embody a shift in how narratives for young people are being creatively conceived materially constructed and socially consumed in the United States Abate explores how titles such as My Parents

Open Carry about gun laws It s Just a Plant about marijuana policy and My Beautiful Mommy about the plastic surgery industry occupy important battle stations in ongoing partisan conflicts while they are simultaneously changing the landscape of American children s literature The book demonstrates how texts like Little Zizi and Me Tarzan You Jane mark the advent of not simply a new commercial strategy in texts for young readers they embody a paradigm shift in the way that narratives are being conceived constructed and consumed Niche market picture books can be seen as a telling barometer about public perceptions concerning children and the social construction of childhood as well as the function of narratives for young readers in the twenty first century At the same time these texts reveal compelling new insights about the complex interaction among American print culture children s reading practices and consumer capitalism Amateur authored self published and specialty subject titles reveal the way in which children childhood and children s literature are both highly political and heavily politicized in the United States The book will be of interest to scholars and students in the fields of American Studies children s literature childhood studies popular culture political science microeconomics psychology advertising book history education and gender studies      The Complete Idiot's Guide to Medical Tourism Patrick W.
