Pagan Origins Of The Christ Myth:

Pagan Origins of the Christ Myth John G. Jackson, 2018-12-17 A classic resource that connects the cardinal doctrines of Christianity to their origins in the ancient civilizations that preceded the religion In Pagan Origins of the Christ Myth John G Jackson sources the pagan origins of Christian doctrine with particular focus on the creation and atonement myths Rooted in historical facts Jackson's claims are steeped in research and demonstrate how Christianity synthesizes the rituals beliefs and characteristics of savior gods from ancient Egyptian Greek Aztec and Hindu origins Initially published in 1941 this concise introduction remains an insightful contribution to comparative religion studies Pagan Origins of the Christ Myth G John

Jackson, 2025-01-30 Pagan Origins of the Christ Myth by G John Jackson is a work that explores the idea that many elements of Christianity particularly the story of Jesus Christ have roots in earlier pagan myths traditions and religious practices This book is often cited in discussions of comparative mythology and religion While some readers find Jackson's arguments compelling and thought provoking others critique the book for potential overgeneralizations or a lack of rigorous academic methodology It is often appreciated by those interested in religious studies mythology or atheism *Pagan Orgins Of The Christ Myth* John G. Mythology Philippe Walter, 2014-11-20 Reveals how Christian mythology has more to do with long standing pagan traditions than the Bible Explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Identifies pagan deities that were incorporated into each of the saints Shows how all the major holidays in the Christian calendar are modeled on pagan rituals and myths including Easter and Christmas In this extensive study of the Christian mythology that animated Europe in the Middle Ages author Philippe Walter reveals how these stories and the holiday traditions connected with them are based on long standing pagan rituals and myths and have very little connection to the Bible The author explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Rather than tear down the pagan temples in Britain Pope Gregory the Great advised Saint Augustine of Canterbury to add the pagan rituals into the mix of Christian practices and transform the pagan temples into churches Instead of religious conversion it was simply a matter of convincing the populace to include Jesus in their current religious practices Providing extensive documentation Walter shows which major calendar days of the Christian year are founded on pagan rituals and myths including the high holidays of Easter and Christmas Examining hagiographic accounts of the saints he reveals the origin of these symbolic figures in the deities worshipped in pagan Europe for centuries He also explores how the identities of saints and pagan figures became so intermingled that some saints were transformed into pagan incarnations such as Mary Magdalene's conversion into one of the Celtic Ladies of the Lake In revealing the pagan roots of many Christian figures stories and rituals Walter provides a new understanding of the evolution of religious belief *The Greatest Story Ever Forged (Curse of the Christ Myth)* David Hernandez, 2009-09 Is God fact or

fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions

Shattering the Christ Myth James Patrick Holding, 2008-06 How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here is a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It is well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus

Jesus: Evidence and Argument or Mythicist Myths? Maurice Casey, 2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what cannot

The Christ Myth Arthur Drews, 2010-12-08 First published in 1910 The Christ Myth drew violent criticism from theologians the press and the public Eminent German philosopher Arthur Drews 1865-1935 reacts to the romantic cult of Jesus which he says is undermining intellectual truthfulness He exposes the Jesus of the gospels as a mythical character arguing that no basis exists for seeking a historical figure behind the Christ myth Through a comparative study of ancient religions Drews shows that Christianity is a syncretism of various pagan and Jewish beliefs and

that a strong pre Christian cult of Jesus as son of God and messiah existed This is a valuable sourcebook for students of religion and all those interested in examining the origins of Christianity Jesus Never Lived! Laurence Dalton, Shirley Dalton, 2013-04-20 Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth 3rd Revised and Expanded Edition Over 225 pages have been added to the previous edition Jesus Christ A Pagan Myth explores the pagan origins of Christianity and shows that Jesus Christ never lived This book is for doubting Christians x believers atheists agnostics and those who are just plain curious about whether a man could walk on water We have focused on the evidence of the Roman Empire in the first and early second centuries CE Part 1 is a 170 page detailed analysis of the Gospel of Mark It shows that the religious beliefs of Mark were derived from the pagan world The Gospel is a pagan myth in Jewish dress as Bruno Bauer pointed out more than 100 years ago Our analysis deals with questions like Why does Mark share anti Jewish beliefs like those of the pagan historian Tacitus Why are the last words of Jesus dying on the cross Why have you God abandoned me Why does Jesus feel he is dying a failure that he has been abandoned by God Part 2 Who Created Jesus Paul was a member of a mystery religion otherwise why is there a striking similarity between the religion of Paul and the pagan mystery religions which surrounded him The 225 pages of Part 2 provide a detailed analysis which shows that the Paulinists followers of Paul created the Jesus of the Gospel of Mark or at least proto Mark The reader may wonder if the followers of Paul created the Markan Jesus how do we deal with the following questions Why does Paul s cosmic savior the triumphant divine Christ not appear in the Markan Gospel but rather Jesus a human failure dying in despair on the cross Why were Jesus and his disciples spiritually defective Jesus s lack of faith of Jesus on the cross Peter s three denials of Jesus Why does Paul know nothing about the historical Jesus Christ of Mark s Gospel Paul does not know that Jesus was born in Bethlehem performed miracles taught people was tried by Pilate and died in Jerusalem etc How was it that Paul s savior offered salvation to all at least to non Jews whereas the mission of Mark s historical Jesus was only to Jews Why does the human Jesus become semi divine in the birth scenes in Matthew and Luke and totally divine in John s Gospel Jesus Never Lived Volume 1 Jesus Christ A Pagan Myth answers all of the questions listed above and more The 400 pages provide much evidence to show that Jesus is a pagan myth in Jewish dress Jesus never existed For more see the Look Inside feature for the Table of Contents etc Also see Jesus Never Lived Volume 2 Jesus and Plato on Hell is a supplemental volume which examines the Pagan views on how one is saved and on the afterlife as found in Plato and the Stoic writings of Seneca These pagan views are compared with the Christian views found in the Gospel of Mark and the letters of Paul Our conclusion is that the Christian views on salvation and the nature of the afterlife were derived from the pagan world thus providing more evidence for the mythical Jesus Jesus Christ never lived Jesus is a pagan myth Christ is a literary fiction Jesus Never Lived Volume 3 The Pagan Morals of Jesus Christ provides supplementary evidence that Jesus is a pagan myth by showing that Christian ethics were derived from the pagan world particularly from the Roman Stoics *Interpreting Mythical Language in Christian Doctrine* Alan McGill, 2024-08-22 When Christians profess faith in the

teaching that Jesus ascended into heaven and is seated at the right hand of the Father what do they mean And what kind of truth is denoted by the narratives of the battle in heaven the Fall the Exodus Annunciation the theophanies of the gospels and Second Coming Some may interpret these literally and ascribe to a model of faith that quite happily runs contrary to reason and life experience Many however recognize that the language in question is symbolic but it is not always apparent as to what is being symbolized and how such symbolism relates to objective truth claims In response Interpreting Mythical Language in Christian Doctrine draws upon the insights of thinkers including St Thomas Aquinas Paul Ricoeur and Carl Jung so as to rescue Christian doctrines expressed through mythical language from an unwarranted expectation that they convey historical ontological or much less scientific truth or equally concerning an assumption that these symbols relate only to a subjective form of meaning so that no interpretation is wrong This book endeavors to unleash the true power of myth to engage with mystery and express meaning in a manner that surpasses the capacities of other genres

Black Christology and the Quest for Authenticity John H. McClendon III, 2019-05-03 Black Christology and the Quest for Authenticity A Philosophical Appraisal constitutes a philosophical inquiry on Black Theology and its attendant Black Christology Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race Clearly the philosophy of race in terms of its substance and scope is continually expanding Notably the philosophy of religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race Therefore Black Christology and the Quest for Authenticity A Philosophical Appraisal stands as a unique contribution to philosophy of race Summarily while this book tackles the formidable problem of Christian theological subject matter nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology Subsequently while the object of our investigation substantively remains theological in character the method of investigation is guided by philosophical inquiry which is based on secular principles Furthermore although most mainstream works in philosophy of religion along with theology neglect to exam African American theologians and philosophers the subject matter of Black Christology substantially facilitates in filling this intellectual void

The Christ Myth Elizabeth E. Evans, 2000 Was the entire story of Jesus nothing more than that just a story Evans presents an interesting argument According to her many things accepted as true regarding the story of Jesus may in fact not be true This book refutes aspects of Christ based on factual evidence combined with strong opinions of the author that may or may not be proven Many have been conditioned to accept Jesus in certain ways without the use of reason Evans provides us with a form of rational thinking that has been left out of our religious conditioning process Those who are open enough to read it will find

it challenging and rewarding **Unmasking the Pagan Christ** Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century But what if there was no Jesus What if there was no Mary or Joseph no twelve apostles What if the story of Jesus was no more than a myth to convey spiritual truth These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur s recent book *The Pagan Christ* Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church *Philosophy of Religion and the African American Experience* John H. McClendon III, 2017-07-03 Most white philosophers of religion generally presume that philosophy of religion is based on what is a false universality whereby the white Western experience is paradigmatic of humanity at large The fact remains that Howard Thurman James H Cone and William R Jones among others have produced a substantial amount of theological work quite worthy of consideration by philosophers of religion Yet this corpus of thought is not reflected in the scholarly literature that constitutes the main body of philosophy of religion Neglect and ignorance of African American Studies is widespread in the academy By including chapters on Thurman Cone and Jones the present book functions as a corrective to this scholarly lacuna *Everything About the Bible That You Never Had Time to Look Up* W. Milton Timmons, 2003-02 Visit the author s website at www.miltontimmons.com Heretofore it has required years of study access to many rare books and superhuman effort to cut through the nearly impenetrable prose of these ancient books Now all the hard work has been done for you in this easy to read summary The project began during the course of collecting background material for a novel about the origins of Christianity when it soon became apparent that reliable information was very scarce Perhaps half the books that shaped

Western concepts of religion have ceased to exist Many were destroyed as heretical after the early ecumenical councils closed the biblical canon in the fourth century others have simply turned to dust The oldest biblical manuscripts in existence are the Dead Sea Scrolls which go back to approximately 100 B C E And the oldest Christian manuscripts are those found in the Gnostic library of Nag Hammadi in Egypt written in the fourth century C E But they don t contain any of the canonical books All other information comes to us via copies of copies Before invention of the printing press in 1450 all replication was by hand which allowed countless variations to creep into texts Especially after translation into multiple languages many stories evolved into a wide spectrum of versions Which is the true version It is impossible to say The aim of this volume is to be concise rather than exhaustive thus making available to general readers the main sources of Judeo Christian thought without the distraction of scholarly disputes For the benefit of those who may question the interpretation of certain documents or who wish more information about original sources a selected bibliography is included It should be remembered that the books in this volume were written by very primitive people who were trying to make sense of the world with the only information they had But even in those days most of these authors were not considered educated by their Greek and Roman contemporaries Moreover the Jewish and Christian leaders who created the biblical canon rejected the majority of these documents as products of overheated imagination So there are times when descriptions necessarily become a bit whimsical Always however the goal has been to cover the author s main points while eliminating only the extraneous Even though many of these books did not end up in any authorized Bible they have nevertheless been extremely influential in the evolution of religious traditions To this day sermons theological doctrines and Sunday school lessons are still based on these extra canonical sources Where did medieval artists get the idea for all those paintings about the Assumption of the Virgin There s nothing in the Bible about any such event How do Catholics justify their doctrine that Mary remained a virgin all her life even though the Bible says Jesus had several brothers and sisters Where did Dante Alighieri get his concepts about the levels of hell Where did John Milton get the plot for his story about Lucifer the fallen angel The documents contained in this book are where those ideas and a myriad others all came from [The Debaters of This Age](#) Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is

placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time **A False Kind of**

Christianity Dan Jensen,2017-06-15 In this work Dan Jensen offers the conservative Evangelical community a no nonsense assessment of the growing and aggressive progressive Christian movement Jensen provides two chapters of personal testimony a short overview of the history behind the progressive Christian movement a brief summary of the teachings of the movement and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation Jensen makes it clear why this movement must be countered by conservative Evangelicals **Suns of God** Acharya S,2004
