Pain Perplexity And Promotion A Prophetic Interpretation Of The Book Of Job:

Pain, Perplexity and Promotion Bob Sorge, 1999 This may well be the most practical inspiring book on Job you ll ever read The book of Job comes alive portraying Job s spiritual journey as a template for those who are in God s refining fires in this hour Let God lead you to higher heights than you ever imagined *Following the River* Bob Sorge, 2003-12 Imagine the ultimate worship experience what would it be like Using a sound scriptural foundation Bob paints a vivid picture of what corporate worship can become Get a glimpse of where God is taking us There is a sweep you off your feet depth to the river of God s delights that is more than possible it is inevitable Fasten your seatbelt this book may wound a few sacred cows but it will clarify your vision for the powerful potential in corporate worship *Retribution or Reality?* Michael S.

Moore, 2023-11-09 The book of Job is one of the greatest if not the greatest literary accomplishments of the ancient world yet in many ways it is just as relevant today as it was then This book examines Job from a comparative theological perspective in order to help contemporary readers access it learn from it and apply its insights to contemporary life *I Know that My Redeemer Lives* Ronald P. Hesselgrave, 2016-10-11 The book of Job has captured the imagination of Christians and non Christians alike In this study Ronald Hesselgrave shows how the personal story of Job s intense struggle with suffering is representative of the pain and vexation within the entire creation and how Job s eventual healing and restoration in the context of his relationship to God is connected to the grand narrative of God s purpose to redeem humanity and defeat evil in the world He explores the themes of creation evil lament justice and God s sovereignty grace and redemption within the separate speeches in Job and against the backdrop of wisdom literature as a whole A further concern of this study is with the pastoral or practical value of the book of Job both for caregivers and those who may themselves be going through the valley of deep trauma and suffering Dr Hesselgrave brings together theological social and psychological insights in a way that deepens our understanding of suffering and provides the basis for a more holistic and comprehensive response to the needs of those who suffer A final summary of the implications of Job for a practical theology of suffering is given in the conclusion

Job in the Modern World Stephen J. Vicchio, 2006-10-01 In this third of a three volume work the author traces the interpretation of the book of Job from the Authorized Version of the Bible King James Version through philosophers of the seventeenth eighteenth and nineteenth centuries He also covers Job in the literature of the Romantics Blake Melville and Dostoyevsky As appendices he treats Job in Geography Uz Job and Zoology Behemoth and Leviathan and Job in Film Volume 1 Job in the Ancient World Volume 2 Job in the Medieval World Volume 3 Job in the Modern World **A Covenant with My Eyes** Bob Sorge, 2013 If you want to strengthen your sexual consecration before the Lord Jesus this book is for you An eye covenant is a grace empowered tool that has the potential to help you gain victory over lust like nothing else you ve ever considered Get ready for a unique book that is apprehending prudent and empowering Based on Bob s own experience with Job 31 1 this book extends an invitation to actually make a covenant vow before God with our eyes Written for all ages men

Dealing with the Rejection and Praise of Man Bob Sorge,1999 Rejection from other people can distress wound and imprison the soul Equally harmful the praise of man is also a snare capable of disqualifying God s servants from their highest inheritance Bob Sorge reveals in this brief book how the truths that set us free from both extremes are amazingly similar This book answers some crucial questions which grip virtually every believer What do I do when others demean or hurt me And how should I respond when others honor or compliment me Rejection and praise are like twin gullies that flank the narrow highway of holiness Every step counts For Jesus man s opinions were meaningless in light of the exuberant affection and passionate approval of His Father Let God s truth set you free from the power of rejection s woundings and from the entrapment of man s praises Learn how to hold your heart before God in a way that pleases Him in the midst of both

rejection and praise from people Envy Bob Sorge,2003-01-31 Envy might well be termed the silent sin Because while all of us envy others to some extent few of us acknowledge our problem out loud let alone try to overcome it and move forward Bob Sorge draws upon his own pastoral experience plus the admitted burden of his own envy to show why and how it can adversely affect the ministry of a church and even prevent revival in people s lives Sorge reveals why comparison of our ministry and spiritual gifts to that of our fellow believers is to be avoided at all costs so that we do not hamstring God s plan for our growth and the accomplishment of His purposes This is a must read for leaders of all churches great and small and anyone who wants the peace that comes with a life free of envy Loyalty Bob Sorge,2004 This book sounds a bold call for loyalty to God and to God s Davids God s Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today s generation isn t buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world Suffering Loss Stacy Cline,2009 Is it possible to experience healing find hope and

rediscover beauty after the experience of devastating loss Stacy Cline not only answers with a resounding Yes but also points you to the path of healing transformation Avoiding easy answers and trite Christian cliches the author shares life principles forged in the fire of his own agonizing grief With intense honesty and faithfulness to Scripture Stacy guides you to the person of Christ who brings healing life and the beauty of new blessing into our deepest pain and loss The Fire of Delayed

God is Writing Your Story Bob Sorge,2012 Jesus the consummate author is writing a story with your life He loves a good plot and He rarely writes short stories Take heart in the journey your last chapter s not yet written This book will inspire you by telling one of the Bible s greatest stories from a perspective rarely seen Be encouraged God is using the unique twists of your journey to craft a story with your life When the journey grows long we can be tempted to lose heart This book will strengthen you to stay in the story In the last section of the book you will be encouraged by one of the greatest and least told stories in the entire Bible We think you ll agree that this is one of Bob s most important books **The Cross** Bob Sorge ,2021-02-12 Kneel again in blood and water and revisit the hill where the two of you first met Understand the great paradox of the cross He suffered so we never have to and He suffered to show us how His cross will make sense of your sufferings Your faith will be strengthened as you believe God for your own resurrection This is the most profound writing on
