Palestinian Refugees Identity Space And Place In The Levant:

Palestinian Refugees Are Knudsen, Sari Hanafi, 2010-11-05 More than four million Palestinian refugees live in protracted exile across the Middle East Taking a regional approach to Palestinian refugee exile and alienation across the Levant this book proposes a new understanding of the spatial and political dimensions of refugee camps across the Middle East Combining critical scholarship with ethnographic insight the essays uncover host states marginalisation of stateless refugees and shed light on new terminology on refugees migration and diaspora studies The impact on the refugee community is detailed in novel studies of refugee identity memory and practice and new legal approaches to compensation and right of return The book opens a critical debate on key concepts and proposes a new understanding of the spatial and political dimensions of refugee camps better understood as laboratories of Palestinian society and state in making This strong collection of original essays is an essential resource for scholars and students in refugee studies forced migration disaster studies legal anthropology urban studies international law and Middle East history [UNRWA and Palestinian Refugees](#) Sari Hanafi, Leila Hilal, Lex Takkenberg, 2014-04-24 Exploring the evolution of the United Nations Relief and Works Agency for Palestine Refugees in the Near East UNRWA this book fills a lacuna in literature on the agency UNRWA and Palestinian Refugees employs recent fieldwork in order to analyse challenges in programmes and service delivery protection camp governance community participation and camp improvement and reconstruction The chapters examine the way UNRWA is adapting to a changing social political and economic context mostly within urban settings a paradigmatic shift from understanding the Agency's role as simply a provider of relief and services to one comprehensively supporting the human development of Palestinian refugees Examining the refugee debate using new disciplines and research frameworks this collection aims to emphasise the centrality of the Palestinian refugee issue for Middle East peace making and to contribute a better understanding of a unique agency This book will be a useful aid for students and researchers with an interest in Middle East Studies Politics and the Israeli Palestinian conflict **The Endurance of Palestinian Political Factions** Perla Issa, 2021-08-17 A free open access ebook is available upon publication Learn more at www.luminosoa.org The Endurance of Palestinian Political Factions is an ethnographic study of Palestinian political factions in Lebanon through an immersion in daily home life Perla Issa asks how political factions remain the center of political life in the Palestinian camps in the face of mounting criticism Through an examination of the daily mundane practices of refugees in Nahr el Bared camp in particular this book shows how intimate interpersonal and kin based relations are transformed into political networks and offers a fresh analysis of how those networks are in turn metamorphosed into political structures By providing a detailed and intimate account of this process this book reveals how factions are produced and reproduced in everyday life despite widespread condemnation [A Companion to the Anthropology of the Middle East](#) Soraya Altorki, 2015-05-04 A Companion to the Anthropology of the Middle East presents a comprehensive overview of current trends and future directions in

anthropological research and activism in the modern Middle East Named as one of Choice's Outstanding Academic Titles of 2016 Offers critical perspectives on the theoretical methodological and pedagogical goals of anthropology in the Middle East Analyzes the conditions of cultural and social transformation in the Middle Eastern region and its relations with other areas of the world Features contributions by top experts in various Middle East anthropological specialties Features in depth coverage of issues drawn from religion the arts language politics political economy the law human rights multiculturalism and globalization The Modern Israeli and Palestinian Diasporas Nahum Karlinsky, 2024 A comparative study of contemporary Israeli and Palestinian diasporas **Refugees' Roles in Resolving Displacement and Building Peace** Megan Bradley, James Milner, Blair Peruniak, 2019-06-01 How are refugee crises solved This has become an urgent question as global displacement rates continue to climb and refugee situations now persist for years if not decades The resolution of displacement and the conflicts that force refugees from their homes is often explained as a top down process led and controlled by governments and international organizations This book takes a different approach Through contributions from scholars working in politics anthropology law sociology and philosophy and a wide range of case studies it explores the diverse ways in which refugees themselves interpret create and pursue solutions to their plight It investigates the empirical and normative significance of refugees engagement as agents in these processes and their implications for research policy and practice This book speaks both to academic debates and to the broader community of peacebuilding humanitarian and human rights scholars concerned with the nature and dynamics of agency in contentious political contexts and identifies insights that can inform policy and practice **Gendered Perspectives of Restorative Justice, Violence and Resilience** Bev Orton, 2023-08-22 Providing an in depth international perspective of women's resilience Gendered Perspectives of Restorative Justice Violence and Resilience An International Framework shines crucial visibility on a diverse gendered lens of intervention empowerment and understanding of violence and resilience *States of Exception or Exceptional States* Simon Mabon, Sanaa Al Sarghali, Adel Ruished, 2022-07-14 This book explores the application of the work of the philosopher Giorgio Agamben to the post Arab Uprisings in the Middle East considering the evolution of regime society relations that ultimately erupted in violence in the early months of 2011 Agamben's ideas of the state of exception and bare life provide important intellectual tools to understand the nature of sovereignty and the regulation of life which has largely been missing in the study of the region Filling a theoretical and empirical gap by exploring the concept of the state of exception via a multidisciplinary approach Simon Mabon Sanaa Alsarghali and contributors in the fields of political science law and philosophy offer a unique set of perspectives analysing how politics and law combine to facilitate the misuse of executive powers *The Rise and Fall of Arab Jerusalem* Hillel Cohen, 2013-03-01 This book examines Palestinian politics in Jerusalem since 1967 and in particular since the outbreak of the second Intifada in September 2000 focusing on the city's decline as an Arab city and the identity crisis among the Jerusalemite Palestinians Principally concerned with Palestinian politics and how

they have evolved over time from the grass roots upwards it covers issues such as the separation wall military activity and terror planning regulations the joint Jewish Arab struggle against the occupation and efforts to remove Palestinians from the city Drawing upon conversations with hundreds of Palestinians Islamists nationalists collaborationists and a political people as well as upon military courts files and Palestinian writings Hillel Cohen tells the story of the failure of the Palestinian struggle in Jerusalem in both its political and military dimensions He points at the lack of leadership and at the identity crisis among Palestinian Jerusalemites which were created by Israeli policies the separation wall the closure of Palestinian institutions and Palestinian faults the exclusion of Jerusalem from the Palestinian Authority in Oslo Agreements or the suicide attacks in the second Intifada Providing a broad overview of the contemporary situation and political relations both inside the Palestinian community and with the Israeli authorities the book gives a unique insight into Palestinians views political behaviour and daily life in Israel s capital As such it is an important addition to the literature on Palestinian politics Jewish and Israeli studies and Middle Eastern politics

Christian Missions and Humanitarianism in The Middle East, 1850-1950, 2020-09-07 From the early phases of modern missions Christian missionaries supported many humanitarian activities mostly framed as subservient to the preaching of Christianity This anthology contributes to a historically grounded understanding of the complex relationship between Christian missions and the roots of humanitarianism and its contemporary uses in a Middle Eastern context Contributions focus on ideologies rhetoric and practices of missionaries and their apostolates towards humanitarianism from the mid 19th century Middle East crises examining different missionaries their society s worldview and their networks in various areas of the Middle East In the early 20th century Christian missions increasingly paid more attention to organisation and bureaucratisation rationalisation and media became more important to their work The volume analyses how non missionaries took over to a certain extent the aims and organisations of the missionaries as to humanitarianism It seeks to discover and retrace such entangled histories for the first time in an integral perspective

Local Politics and Contemporary Transformations in the Arab World M. Bouziane, C. Harders, A. Hoffmann, 2013-10-03 The contributors link innovative analytical concepts and ethnographic in depth case studies from the Arab world Based on the debates on politics from below and dynamic concepts of state all the chapters focus on informal institutions non elite actors and the dynamic and contradictory relationship between state and society

Deconstructing the Dynamics of World-Societal Order Jan Busse, 2017-11-23 To get a better sense of power dynamics in global politics this book presents an innovative theoretical framework combining a critical engagement with and further development of Michel Foucault s governmentality on the one hand and the theory of world society of the Stanford School of Sociology on the other Making an original contribution to academic debates about power and global political order this book develops a

comprehensive theoretical perspective on power relations and political dynamics The book starts from the presupposition that any theoretical engagement of that kind requires nuanced empirical study as well It therefore analyzes the dynamics of world societal order in the concrete empirical example of Palestine and raises the question of how its political and societal order comes into existence The author argues that governmentality represents a fundamental pattern of political order in world society that also profoundly affects power dynamics in Palestine This insight has two important implications First power relations do not follow dichotomous distinctions such as international domestic or global local but manifest themselves within world society Second therefore order that comes into existence in Palestine needs to be understood as world societal order Offering a comprehensive understanding of power relations and patterns of political order ing embedded in world society the book provides a deeper understanding of the complex dynamics that contribute to the political and societal order of Palestine This book will be of interest to scholars and students of Middle East Studies Palestine Studies International Relations International Political Sociology International Relations Theory Governmentality Studies and Political Theory

The Re-Emergence of the Single State Solution in Palestine/Israel Cherine Hussein, 2015-02-11 Providing the first in depth intellectual and organizational mapping of the single state idea s recent resurgence in Palestine Israel this book enquires into its nature as a phenomenon of resistance as well as into its potential as a counterhegemonic force in the making against the processes of Zionism Reconstructing this moment of re emergence through primary material and interviews with diverse influential intellectuals its analysis highlights their self understandings worldviews strategies and perceptions of the phenomenon in which they are involved while questioning whether the single state idea has the potential to become a Gramscian inspired movement of resistance against Zionism In presenting this rare insight into a resistance movement in the making this book resurrects an empowering image of Antonio Gramsci infused with the writings of Edward Said This it does in an effort to both problematize the dominant interpretations of Gramsci s writings in International Relations and to decolonise the abstract way in which resistance and counter hegemony are often studied in the discipline Contributing a mapping of a silenced alternative and hopeful way forward in the context of escalating violence this book is essential reading for those studying the Arab Israeli conflict Middle East Politics and International Relations **Political**

Conflict and Exclusion in Jerusalem Rawan Nuseibeh, 2015-10-08 The political conflict over the city of Jerusalem has resulted in the breach of Palestinian Jerusalemites civil political and social rights While Israel claims sovereignty over East Jerusalem it neglects to provide adequate services to the Palestinian residents of the city The Israeli Jerusalem Municipality provides insufficient and highly politicised educational services to the Palestinians residents of the city at the same time discriminating against the other Palestinian systems that provide educational services Political Conflict and Exclusion in Jerusalem offers a detailed description of the structure of the education sector in East Jerusalem with its four main providers the Palestinian Authority through Awqaf schools the Israeli Authority through municipal schools the United Nations Relief

and Works Agency and private schools Its study reveals that there is no single body that oversees the provision of educational services in the city to ensure that the services provided are sufficient and of quality Employing a qualitative research strategy with semi structured interviews and focus groups in Palestinian and Israeli schools this book offers a comprehensive and revealing comparison of the educational services provided to both their students It explores how Palestinian and Israeli students routinely receive vastly different learning opportunities in terms of school funding qualified staff school facilities and school programmes which as a result disempowers Palestinians and ensures an Israeli Jewish hegemony over the city One of the few academic books on a highly pertinent topic this book will be of interest to students and scholars of Middle East Studies and a key resource for those studying the social impacts of the Israeli Palestinian conflict Masculinities and Displacement in the Middle East Magdalena Suerbaum,2020-11-26 Following the outbreak of the Syrian uprising in 2011 many Syrians fled to Egypt This ethnographic study traces Syrian men s struggles in Cairo their experiences in the Egyptian labour market and efforts to avoid unemployment their ambitions to prove their groomability in front of potential in laws in order to get married and their discontent with being assigned the label refugee The book reveals the strategies these men use to maintain their identity as the respectable Syrian middle class man including engaging in processes of Othering and the creation of hierarchies and Magdalena Suerbaum explains why this proved so much more difficult for them after Morsi was toppled in 2013 Based on in depth interviews conversations and long term participant observations Suerbaum identifies Syrian men s emotional struggles as they undergo the experience of forced displacement and she highlights the adaptability and ultimate elasticity of constructed masculinities The Syrians interviewed share their memories and their understandings of sectarianism and growing up in Syria their interactions with the Egyptian and Syrian states and their experiences during the Syrian uprising The book takes an intersectional approach with close attention to the refugee as a classed and gendered person Urban Refugees Koichi Koizumi, Gerhard Hoffstaedter,2015-04-10 Urban refugees now account for over half the total number of refugees worldwide Yet to date far more research has been done on refugees living in camps and settlements set up expressly for them This book provides crucial insights into the worldwide phenomenon of refugee flows into urban settings repercussions for those seeking protection and the agencies and organizations tasked to assist them It provides a comparative exploration of refugees and asylum seekers in nine urban areas in Africa Asia and Europe to examine issues such as status recognition international and national actors housing education and integration The book explores the relationship between refugee policies of international organisations and national governments and on the ground realities and demonstrates both the diverse of circumstances in which refugees live and their struggle for recognition protection and livelihoods **Urban Displacement** Are John Knudsen,Sarah A. Tobin,2024-03-01 Syria s massive displacement from 2012 onwards is one of the largest most complex and intractable humanitarian emergencies of today More than 5.7 million Syrian refugees live mainly in cities and urban areas throughout the Middle East Urban Displacement examines multiple dimensions

of this crisis from political and socioeconomic predicaments to questions of social belonging the complexity of the international regional and national responses and how they affect urban spaces The volume brings together experts in the field of forced migration studies and displacement in the Middle East and presents a range of in depth ethnographic data cross sectional surveys and policy analyses

Students and Resistance in Palestine Ido Zelkowitz, 2014-12-17 Exploring the Palestinian Student Movement from an historical and sociological perspective this book demonstrates how Palestinian national identity has been built in the absence of national institutions whilst emphasizing the role of higher education as an agent of social change capable of crystallizing patterns of national identity Focussing on the political and social activities of Palestinian students in two arenas the West Bank and Gaza Strip and the Palestinian diaspora Students Palestinian student magazines PLO documents Palestinian and Arabic news media and archival records to demonstrate how the Palestinian Student Movements became a major political player this book is of interest to scholars and students of Palestinian History Politics and the Arab Israeli Conflict

The Naqab Bedouin and Colonialism Mansour Nasasra, Sophie Richter-Devroe, Sarab Abu-Rabia-Queder, Richard Ratcliffe, 2014-08-13 The Naqab Bedouin and Colonialism brings together new scholarship to challenge perceived paradigms often dominated by orientalist modernist or developmentalist assumptions on the Naqab Bedouin The past decade has witnessed a change in both the wider knowledge production on and political profile of the Naqab Bedouin This book addresses this change by firstly endeavouring to overcome the historic isolation of Naqab Bedouin studies from the rest of Palestine studies by situating studying and analyzing their predicaments firmly within the contemporary context of Israeli settler colonial policies Secondly it strives to de colonise research and advocacy on the Naqab Bedouin by for example reclaiming indigenous knowledge and terminology Offering not only a nuanced description and analysis of Naqab Bedouin agency and activism but also trying to draw broader conclusion as to the functioning of settler colonial power structures as well as to the politics of research in such a context this book is essential reading for students and researchers with an interest in Postcolonial Studies Development Studies Israel Palestine Studies and the contemporary Middle East more broadly
