Grow Like Jesus Stephen Caldwell, 2016-04-19 *Grow Like Jesus* is the first book to delve into Luke 2:52 And Jesus grew in wisdom and stature and in favor with God and man a verse that spans the gap between Jesus the child and Jesus at the start of his ministry and unpack its lessons in ways that are simple to understand but deep enough to drive meaningful changes in a person's life While we don't know if Jesus performed miracles while living in Egypt if he caught fireflies at night as a kid or if he went to sleepovers with his friends we can be sure he wasn't just hanging around eating lentils and pomegranates Based on Luke 2:52 we know he was growing in four specific areas wisdom stature favor with God and favor with people In other words he grew intellectually physically spiritually and socially As it turns out and it shouldn't come as a surprise continual growth in these four areas will prepare us for success in life as followers of Christ the type of success that allows us to know God and make him known in other words real success The practical applicable and accessible knowledge of *Grow Like Jesus* is perfect for anyone new to a faith in Christ or looking to breathe new life into their existing faith **How to Eat Paleo**
