

READING THE LINES ON YOUR PALM

There are six major lines on the palm, although all may not appear on every hand. Remember to look at your hand as a whole, and consider the relationship between the lines.

THE LIFE LINE

A long life line indicates excellent health. Someone with a double line may be a twin, or even lead a double life. Breaks or splits suggest a change of direction in life. SEE SHEET 5 FOR MORE INFORMATION.

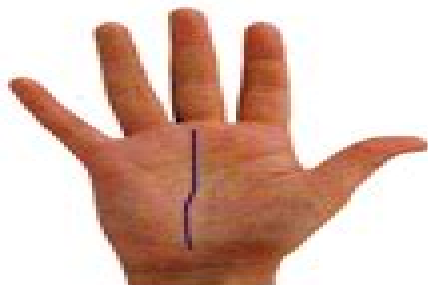

THE HEAD LINE

A head line touching both sides of the palm indicates a self-centred, focused individual. A forked line suggests a talent for communication and public speaking. SEE SHEET 6 FOR MORE INFORMATION.

THE HEART LINE

A curved heart line, some distance from the fingers, reveals a generous, sensual and loving nature. A broken line indicates a tendency to be unfaithful. SEE SHEET 7 FOR MORE INFORMATION.

THE FATE LINE

The absence of a fate line indicates an uneventful life; a double line foretells two careers. Ending on the head line reveals a tendency towards errors of judgement. SEE SHEET 8 FOR MORE INFORMATION.

THE SUN LINE

A long, vertical sun line indicates a lucky life, with many blessings. A blurred line suggests a lack of focus. A hard worker's line curves towards the thumb. SEE SHEET 9 FOR MORE INFORMATION.

THE HEALTH LINE

A health line crossing the life line suggests ill health and inherited illnesses. A wavy line indicates digestive problems. A blurred line shows a lack of stamina. SEE SHEET 10 FOR MORE INFORMATION.

DECIPHERING THE SIMIAN LINE

Individuals with a simian line appear to only have either the head line or the heart line, but in fact both of these lines have been combined in one and run exactly the same course.

The two major horizontal lines of the palm – the head line and heart line – are present on everyone's hand, but in some individuals there appears to be only one of them. This is called a simian line, and occurs when the head and heart lines lie exactly over one another. It may be present on one or both of the person's hands.

HEAD AND HEART

The simian line occurs when an individual's logic and emotions are very closely linked. They can seem very passionate, and are often led by their heart – taking jobs they really enjoy above ones that pay more. They find it difficult to tell lies – even white ones – and won't give up a fight just for an easy life.
