Language Proficiency Test N3 Countermeasures Drill & Mock Test: Letters, Vocabulary, Grammar Tomoko

Morimoto, Naoko Takahashi, Shizuka Kuroiwa, 2018-06-10 N3 Japanese Language Proficiency Test Last Minute Prep Drills Mock Exam Characters Vocabulary and Grammar Many students begin to sweat once they're about two weeks away from their test date. Those who've prepared sufficiently may be fine, but those without enough preparation or those who feel uncertain about their abilities may think that they won't be able to pass unless they complete another book or two. That said, they can't take their time progressing through such books and need simple practice questions that they can quickly work through. This book is meant to answer the needs of those exact learners. It provides short-term focused learning that is sure to bring you closer to passing your test. This book focuses on characters, vocabulary, and grammar sections that can easily be used to improve one's score. They are split into their own sections so that you can more easily prepare for them with a sense of purpose in mind. In Part 1, Practical Drills, you will perform 15 drills that take around 10 minutes each in a test-like format. It also includes short special training units separated by theme to help you have a better comprehension of important topics that can make the difference between passing and failing. Shore up your weaknesses as you steadily improve your test-taking ability. Next, the Mock Exams in Part 2 allow you to test your skills three times with exams of the same format and length as an actual exam. Use these to check your abilities whenever you want, whether that's after you're done with the drills or while you're working through them. Answers to drills and mock exams are contained in a separate pamphlet that includes detailed commentary, including explanation of vocabulary. English and Vietnamese translations are also included.
