

The background of the book cover features a large Ferris wheel on the left side, with its intricate metal structure and passenger cars visible. On the right side, there is a mathematical graph on a Cartesian coordinate system. The graph shows a parabola opening downwards, labeled with the equation $y = -x^2 + 2x$, and a curve starting from the origin and extending into the first quadrant, labeled with the equation $x = y^2$. The area between these two curves is shaded in a light yellow color. The origin is marked with 'O', and the axes are labeled 'x' and 'y'.
