New Life For Dying Churches:

New Life for Dying Churches! Rose Sims, 1992-12-01 1991 Koala Award Winner as the most outstanding non fiction book by Christian Writers Fellowship International THE DREAM To Revitalize Declining Churches Saving dying churches is not a theory but a proven fact It can happen anywhere Dr Sims inspiring story is so unusual enlightening Say it with Confidence by Evangelism Explosion s founder Dr D James Kennedy four seminar sessions discussion guide leader s manual For Credit Card Orders 1 800 458 1387 Mail orders to New Life Church Growth Ministries Inc Box 848 Trilby FL 33594 *New Life for Dying Churches* Rose G. Sims, 1992-09-01 **Life After Death** Tom Cheyney, Steve Sells, 2019-04-10 It is no secret that the local New Testament church today is in a pickle Memberships are souring and the ability to reclaim former members has become a thing of the past The hard reality in North America is that most churches and most if not all denominations are in a state of decline The membership within these churches and denominations has plateaued and what used to pass for involvement and activity within churches is deteriorating While all of this is happening the rank and file of the church appears powerless to assemble the strength that is needed to get the churches growing again There are more churches that die annually than are planted Many more are declining than are growing A small church can be defined as one in which the number of active adult members and the total annual undesignated budget are inadequate relative to the church s current organizational needs and expenses It is a church struggling to pay its minister heat or cool its buildings and find enough people to assume leadership responsibilities to take the church into the future In this new work Tom Cheyney and Steve Sells both seasoned Church Revitalization leaders offer help for the church that is in threat of closing its doors Tom leads The Renovate Group and is best known besides his books on church revitalization and renewal as the Founder and Directional Leader of the Renovate National Church Revitalization Conferences all across the nation Steve is the founder of Operation Transformation that helps revitalize churches in the region around Charlotte Life After Death A Strategy to Bring New Life to a Dead Church is a journey of hope for the local struggling church that is facing hard decisions in light of its future and what it will do to ensure a Gospel lighthouse remains in the community where it was placed for many more years until Jesus comes to take all of us to Glory Take the journey with those in your area who are working to revitalize churches for the sake of Christ Become willing to embrace the opportunity for your church to survive rather than close down in failure Allow the Lord God to bring forth a miracle for your church as He transforms the work of ministry within your midst As church memberships become entrenched in a senior citizen based population and few options remain to keep the church going often they are left with few choices as to what they can do It is important to realize that if you wait too long to make necessary changes and the membership continues to decline to less than 50 adult active members which is known as Critical Mass then you should allow a revitalization to come along side of the church and utilize the church for future ministries while assuming your bills and upkeep This allows future restarts to win and keeps a missional presence in the geographical location of the former church

Giving up the facilities to a group that will restart the church honors those who have sacrificed so greatly in the past for the cause of Christ You can grow the Kingdom of God by your willingness to give up trying to hold on until that last one passes on into eternity The restart based church revitalization model is being used all across North America Any group working in the area of church revitalization should have a restart strategy if it is going to be a wise steward Dying churches can be restarted when the congregation is willing to take the hard steps and make the necessary commitments The idea of a church that is dying taking the necessary steps to provide it the best chance for survival is not an easy idea to consider For those who have been part of the setback admitting that they have hurt the church is hard indeed Those who will take over also have a challenge in that it will be under their watch as they seek to change those traits now embedded within the local church for the betterment and opportunity to turn around a church that is in rapid decline New Life for Dying Churches, 2006-12-20 Awarded best non fiction by Christian Writers Fellowship International **Rethinking Church** Timothy D. Fox, 2021 **Reclaiming Glory** Mark Clifton, 2016 What is there about a dying church that brings glory to God Mark Clifton's convicting answer is Nothing Because a local church is intended to represent the work of God in a community when that church loses its saltiness not only is God's work pictured as irrelevant in that community but also dishonor and disrepute may well become associated with God's name as a result In *Reclaiming Glory* Clifton draws not only upon his own burden for revitalizing dying churches but also upon years of church replanting experience to offer passionate counsel for how to breathe new life into a dying church all for the glory of the God who is building his church upon the immovable rock of the gospel of Jesus Christ *Dead Church Walking* Jimmy Dorrell, 2012-01-04 Showing us how to embrace change this book brings fresh ideas to ignite the fire of churches and put them on the road to recovery **Claiming Resurrection in the Dying Church** Anna B. Olson, 2015-03-18 How do you minister faithfully to a congregation that is in decline While many congregations struggle with trying to find the key to regrowth pastor Anna Olson suggests that the answer may actually be to accept and embrace this moment for what it is In this beautifully written work Olson helps pastors recognize that while the congregation might be going away the community of which it is a part is still very much alive Using her own experiences in a dying congregation Olson encourages pastors to use this opportunity to explore new ways to minister freely and selflessly and provides a powerful model of what faithfulness to the gospel looks like This hopeful book about letting go of false hope gives pastors the guidance they need for ministering effectively during the final stages of a church's life **The Church Has Left the Building** Michael Plekon, Maria Gwyn McDowell, Elizabeth Schroeder, 2016-09-30 The origin of the phrase the church has left the building lies with Elvis In order to clear halls of his riotous fans after concerts it was announced that Elvis has left the building Here the expression highlights intense change within the church Not only does the church change for its own existence it also does so for the life of the world The church cannot avoid the many past and future changes of our constantly transforming society demographic changes long in process What you have before you is a gathering of first hand
