A Survey of the New Testament Robert H. Gundry, 2012-06-19 A definitive guide to the New Testament of the Bible providing both the broader historical and cultural context as well as a passage level commentary for each book Many students of the Bible launch into their studies without a prior systematic reading of the New Testament This survey is unique in the way it assists a close and complete reading without bogging down in extensive introductions and over academic material Instead A Survey of the New Testament converses with each passage in the form of brief commentary while enabling you to see how background material such as intertestamental history Judaism and other historical matters helps interpret the text By tracing the flow of thought from passage to passage you'll gain a sense of the natural progression of the narrative and logic in the New

Tenney, 1985-08-28 Written in a clear non technical style New Testament Survey is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century *New Testament Survey* Bible Lessons International, 2000-12-01 **New Testament Survey** Robert G. Gromacki, 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback *Jensen's Survey of the New Testament* Irving Jensen, 1981-05-26 Leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen's Bible self study guides to the New Testament **A Brief New Testament Survey on the Life of Jesus Christ** Dr. John Thomas Wylie, 2016-02-22 I recently published my seventh title and the Lord compelled me Press on toward the mark I realize much could be said of Jesus Christ and that would not be enough If it were possible one might pen as much as the number of hairs on one's head or the number of stars in the heavenly skies but that's not enough said about Christ If I could pen the sum total grains of the sand in the desert that would not be enough That's not enough to express the awesome nature of Jesus Christ It would be impossible to begin to scratch reality's surface What I do know is that a man can begin somewhere and express his views concerning the Master So I conclude this and begin my topic on A Brief New Testament Survey on the Life of Jesus Christ Thus grace unto God our Father who provides for all according to his glory and the making of this eighth title A Brief New Testament Survey on the Life of Jesus Christ This publication is a brief survey and not an expository study on the life of Jesus Christ and teachings of Christ The content of the publication is intended to give a more accurate account according to the Gospel of Luke and other scriptures to strengthen the young readers confidence in what the gospel will tell about Christ Although every episode of Jesus Christ is not covered that is not this book's intent The intent is to give many young people and first time readers a starting point Christ wards Reverend Dr John Thomas Wylie **New Testament Survey** Walter M.
