**Comedy and Critique** Daniel R. Smith, 2018-06-20 Comedy and Critique explores British professional stand up comedy in the wake of the Alternative Comedy movement of the late twentieth century seeing it as an extension of the politics of the New Left standing up for oneself as anti racist feminist and open to a queering of self and social institutions Daniel Smith demonstrates that the comic sensibility pervading contemporary humour is as much speaking truth to power as it is realising one s position in power The professionalisation of New Left humour offers a challenge to social and cultural critique Stand up comedy has made us all sociologists of self identity and cultural power while also resigning us to a place where a comic sensibility becomes an acknowledgment of the necessity of social change

Encyclopedia of Music in the 20th Century Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader
