John Thomas Vandeberg,2017-08-15 Not Just a Montana Cowboy is a factual memoir of a youthful cowboy who becomes a
scientist and businessman This family story began in pre WWII America in western Montana The family was dirt poor and
hard work was constantly engrained The expectations of a boy living on a small farm with his mother and sister are vividly
recalled Even as a young boy and teenager he completed numerous chores and helped his mother and father support the
family And there were fun times hunting fishing and participating in sports Experience in ranch life provided a hands on
understanding and handling of animals He assisted birthing branding feeding and marketing cattle and sheep His ranch work
and livestock earned money for college Opportunities via mentors made higher education plausible His chemistry research
provided breakthroughs in science leading to new products for business He established new businesses Coupled with his
work ethic advancements into executive positions continually lifted his career His psychological struggles of verbal abuse
from his father were finally conquered and addressed allowing him to escape the feeling of disappointment Evaluation
