we are on the right track Modern science has done its best to take that reassurance away from us telling us that there is no destination no purpose in life and that in effect our lives are an accident of Nature Religion too has become equally unhelpful it has become dogmatic sectarian and self serving We have lost the core the real message of religion but we still need true spirituality Indeed we need a map to the Truth Electronic and Electrical Engineering Lionel Warnes,2017-03-14 A third
