**The Times-Picayune in a Changing Media World** S. L. Alexander, Frank D.

Durham, Alfred Lawrence Lorenz, Vicki Mayer, 2014-07-17 In 2012 2013 one of the largest U S newspaper chains Advance Publications determined its main product was no longer newspapers but news and switched from daily print publication of The Times Picayune of New Orleans to three days a week while upgrading its presence online Digital First More than two hundred employees including half the newsroom were laid off in one of the poorest U S cities with among the lowest literacy rates and percentages of households with Internet access The decision raised a furor in New Orleans Beginning with an historical overview of The Times Picayune from its 1837 founding through the present The Times Picayune in a Changing Media World The Transformation of an American Newspaper describes the crucial role the dailies played in the 1960 school desegregation crisis as well as the impact of the switch on print coverage of hard news in the context of media developments and provides a detailed analysis of specific print editions of The Times Picayune and its digital formats conducted before and after the switch This study of the evolution of The Times Picayune is instructive for all concerned with what the transformation might portend for the news profession and for the traditional role of the press in the digital age

**The Engagement Aesthetic** Francisco J. Ricardo, 2013-05-23 Long after painting sculpture photography and film developed along with their materials canvas and panel marble and bronze and celluloid film a new generation of art has emerged in which digital electronic architectural and performative materials have offered new forms for creative expression and experience In much of this new art the medium no longer composed of passive materials now embraces and challenges viewers to work as co creators of aesthetic experience Starting from the impossibility of understanding this new and complex art solely within the framework of contemporary art history and criticism The Engagement Aesthetic offers new modes of critique for new media works of art literature and performance that operate in complex ways Blending a range of methodologies from phenomenology art history linguistics and statistical analysis Ricardo explores how a new kinship between individual participation electronic media virtual and actual space and mediated language results in a new aesthetic of mutual engagement
