## **Newsweek International News Magazine The Salt Battle:**

**Sam Nunn** Frank Leith Jones, 2021-10-05 In a 2012 opinion piece bemoaning the state of the US Senate Washington Post columnist Dana Milbank cited a leading theory There are no giants in the chamber today Among the respected members who once walked the Senate floor admired for their expertise and with a stature that went beyond party Milbank counted Sam Nunn D GA Nunn served in the Senate for four terms beginning in 1972 at a moment when domestic politics and foreign policy were undergoing far reaching changes As a member and then chairman of the Senate Armed Services Committee he had a vital impact on most of the crucial national security and defense issues of the Cold War era and the new world order that followed issues that included the revitalization of the North Atlantic Treaty Organization s military capability US Soviet relations national defense reorganization and reform the Persian Gulf conflict and nuclear arms control In this first full account of Nunn s senatorial career Frank Leith Jones reveals how as a congressional leader and shadow secretary of defense Nunn helped win the Cold War constructing the foundation for the defense and foreign policies of the 1970s and 1980s that secured the United States and its allies from the Soviet threat At a time of bitter political polarization and partisanship Nunn s reputation remains that of a statesman with a record of bipartisanship and a dedication to US national interests above all His career as recounted in Sam Nunn Statesman of the Nuclear Age provides both a valuable lesson in the relationships among the US government foreign powers and societies and a welcome reminder of the capacity of Congress even a lone senator to promote and enact policies that can make the country and the world a better and safer place

"*ADaddy's Gone to War*" William M. Tuttle Jr., 1993-09-16 Looking out a second story window of her family s quarters at the Pearl Harbor naval base on December 7 1941 eleven year old Jackie Smith could see not only the Rising Sun insignias on the wings of attacking Japanese bombers but the faces of the pilots inside Most American children on the home front during the Second World War saw the enemy only in newsreels and the pages of Life Magazine but from Pearl Harbor on the war with its blackouts air raids and government rationing became a dramatic presence in all of their lives Thirty million Americans relocated 3 700 000 homemakers entered the labor force sparking a national debate over working mothers and latchkey children and millions of enlisted fathers and older brothers suddenly disappeared overseas or to far off army bases By the end of the war 180 000 American children had lost their fathers In *Daddy s Gone to War* William M Tuttle Jr offers a fascinating and often poignant exploration of wartime America and one of generation s odyssey from childhood to middle age The voices of the home front children are vividly present in excerpts from the 2 500 letters Tuttle solicited from men and women across the country who are now in their fifties and sixties From scrap collection drives and Saturday matinees to the atomic bomb and V J Day here is the Second World War through the eyes of America s children Women relive the frustration of always having to play nurses in neighborhood war games and men remember being both afraid and eager to grow up and go to war themselves Not all were willing to wait Tuttle tells of one twelve year old boy who strode into an Arizona recruiting

office and declared I don't need my mother's consent I'm a midget Former home front children recall as though it were yesterday the pain of saying good bye perhaps forever to an enlisting father posted overseas and the sometimes equally unsettling experience of a long absent father's return A pioneering effort to reinvent the way we look at history and childhood Daddy's Gone to War views the experiences of ordinary children through the lens of developmental psychology Tuttle argues that the Second World War left an indelible imprint on the dreams and nightmares of an American generation not only in childhood but in adulthood as well Drawing on his wide ranging research he makes the case that America's wartime belief in democracy and its rightful leadership of the Free World as well as its assumptions about marriage and the family and the need to get ahead remained largely unchallenged until the tumultuous years of the Kennedy assassination Vietnam and Watergate As the hopes and expectations of the home front children changed so did their country's In telling the story of a generation Tuttle provides a vital missing piece of American cultural history

**Congressional Record** United States Congress, 2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873

**Congressional Record Index**, 1951 Includes history of bills and resolutions

[The Cold War](#) Ralph B. Levering, 2016-02-16 Now available in a fully revised and updated third edition The Cold War A Post Cold War History offers an authoritative and accessible introduction to the history and enduring legacy of the Cold War Thoroughly updated in light of new scholarship including revised sections on President Nixon's policies in Vietnam and President Reagan's approach to U.S. Soviet relations Features six all new counterparts sections that juxtapose important historical figures to illustrate the contrasting viewpoints that characterized the Cold War Argues that the success of Western capitalism during the Cold War laid the groundwork for the economic globalization and political democratization that have defined the 21st century Includes extended coverage of the Cuban Missile Crisis the most dangerous confrontation of the nuclear age thus far

**Choosing War** Fredrik Logevall, 2023-09-01 In one of the most detailed and powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging the prevailing myth that the outbreak of large scale fighting in 1965 was essentially unavoidable Choosing War argues that the Vietnam War was unnecessary not merely in hindsight but in the context of its time Why then did major war break out Logevall shows it was partly because of the timidity of the key opponents of U.S. involvement and partly because of the staunch opposition of the Kennedy and Johnson administrations to early negotiations His superlative account shows that U.S. officials chose war over disengagement despite deep doubts about the war's prospects and about Vietnam's importance to U.S. security and over the opposition of important voices in the Congress in the press and in the world community They did so

because of concerns about credibility not so much America's or the Democratic party's credibility but their own personal credibility Based on six years of painstaking research this book is the first to place American policymaking on Vietnam in 1963-65 in its wider international context using multiarchival sources many of them recently declassified Here we see for the first time how the war played in the key world capitals not merely in Washington Saigon and Hanoi but also in Paris and London in Tokyo and Ottawa in Moscow and Beijing Choosing War is a powerful and devastating account of fear favor and hypocrisy at the highest echelons of American government a book that will change forever our understanding of the tragedy that was the Vietnam War In one of the most detailed and powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging

**Oversight and Authorization of the Antitrust Division, U.S. Department of Justice** United States. Congress. House. Committee on the Judiciary. Subcommittee on Economic and Commercial Law, 1989

Editor & Publisher, 1962 The fourth estate Propaganda, Censorship and Irish Neutrality in the Second World War Robert Cole, 2006-02-22 Allied propaganda and Eire censorship were a vital part of the conflict over Irish neutrality in the Second World War Based upon original research in archives in Ireland Great Britain the United States and Canada this study opens a new page in the history of wartime propaganda and censorship It examines the channels of propaganda including the press and other print media broadcasting and film employed in Eire and the agencies which operated them and the structure and operations of the Eire censorship bureau which sought to repress them It also looks at the role played by Irish Americans in the conflict some of whom supported while others opposed Irish neutrality Which side could win this war of words Could British and American propaganda overcome Eire neutrality or would re-censorship guarantee that it could not In this detailed and wide ranging examination of the war of words over Eire neutrality the author addresses such subjects as public opinion government policies propaganda planning objectives content and channels of dissemination and the purpose and tactics of censorship

**Nuclear Shadowboxing: Contemporary Threats from Cold War Weaponry; Volume 1: Cold War Redux** Alexander DeVolpi, Vladimir E. Minkov, Vadim A. Simonenko, George S. Stanford, 2004 **Civil Affairs in Occupied and Liberated Territory** United States. War Department. Public Relations Division, 1947 **Side by Side in Eternity**

James Robert McNeal, J. Eric Smith, 2023-02-23 Every gravestone in every graveyard can frame a story far more complex than the dates engraved upon it It's common for spouses to be memorialized together as a final affirmation of the commitments made in life or for bereaved parents to be buried with children who tragically preceded them in death Close proximity burials of seemingly unrelated figures can similarly reveal the tales of people who otherwise walked together in life by choice or by chance For example the Confederate burial of Union Col Robert Gould Shaw was certainly meant as a dishonor as Shaw was buried in an unmarked low lying coastal trench alongside the fallen African American members of the 54th Massachusetts Regiment he had commanded at Fort Wagner After the war however the men's remains were recovered and reinterred

meaningfully still together at the newly commissioned Beaufort National Cemetery This book explores a dozen unique examples of such side by side burials over the course of U S history It begins by describing each of the protagonists final chapters before spooling out the tales and significance of their actual journeys to such interwoven endpoints The evolution of funerary practices and observances in the United States is interspersed throughout with a special focus on military honors and burials *Magazine Abstracts* United States. Office of War Information. Bureau of Intelligence,1941-04-16 School Management and School Supply and Equipment News ,1939 **Shift Linguals** Edward S. Robinson,2011 Shift Linguals traces a history of the cut up method the experimental writing practice discovered by Brion Gysin and made famous by Beat author William S Burroughs From the groundbreaking works of Dada and Surrealism that paved the way for Burroughs breakthrough through the countercultural explosion of the 1960s Shift Linguals explores the evolution of the cut ups within the theoretical frameworks of postmodernism and the avant garde to arrive at the present and the digital age Some 50 years on from the first discovery of the cut ups in 1959 it is only now that we are truly able to observe the method s impact not only on literature but on music and culture in a broader sense The result of over nine years of research this study represents the first sustained and detailed analysis of the cut ups as a narrative form With explorations of the works of Burroughs Gysin Kathy Acker and John Giorno it also contains the first critical writing on the works of Claude P lieu and Carl Weissner in English as well as the first in depth discussion of the writing of Stewart Home to date **New York** ,1992 **The Bulletin** ,1999 *The Standard Periodical Directory* ,2001 *Directory [of The] Overseas Press Club of America and American Correspondents Overseas* Overseas Press Club of America,1966 **Hitler Attacks Pearl Harbor** Richard F. Hill,2003 Hill theorizes that the diplomatic community opened the European theater to a full scale war on Germany because Hitler s pressure on his Japanese allies caused the Pearl Harbor attack
