so easy for foreigners to take what does not belong to them This book began as a self examination of the African personality in an attempt to understand Africa s place in the world especially in relation to the West **A New History of Tanzania** N. Polygamy in Northern Malawi Mlenga, Moses, 2016-01-13 The early missionaries brought Christianity from the monogamous West to the polygamous societies of

Africa Were the missionaries right in demanding that converts dismiss all but one wife Was this the demand of the Christian faith or of Western civilization And were the converts right to dismiss their wives though they had married them according to the laws of the land And who asked the children if they wanted their mothers to be dismissed and may or may not be married to another man The book argues that while polygamy is an African reality it is below Christian moral standards However is stopping converted polygamous men and women from baptism best practice if we believe that sin can be forgiven for the one who repents Can the shedding of responsibility for wives and children be made a precondition for such forgiveness **A**
