Nice Hollies Story Brian Southall:

The Hollies Andrew Darlington, 2025-08-15 The road is long with many a winding turn that leads us to who knows where Who knows where Everyone loved The Hollies They were the group s group Never confrontational or rebellious always smartly suited always smiling The band had an unbroken run of immaculate pop singles which while they seldom had that must buy factor of the latest Rolling Stones or Beatles record were hallmarked by tight harmonies and an almost unfailing chart sensibility Throughout the sixties and well into the seventies everyone had at least one or two Hollies singles in their collection and nobody begrudged The Hollies their hits When He Ain t Heavy He s My Brother and Long Cool Woman In A Black Dress became global million sellers The Hollies were inducted into The Rock n Roll Hall Of Fame Graham Nash by then deep into his second career as part of Crosby Stills and Nash was reunited with other members of the outfit on stage together in the March 2010 ceremony This book tells the full story of the band s music from the band s origins in Manchester through the full arc of hits and the albums track by track into the twenty first century then now always Andrew Darlington watched the very first episode of Dr Who he also watched the most recent episode Whatever academic potential he may once have possessed was wrecked by an addiction to loud rock n roll and cheap science fiction which remain the twin poles of what he laughingly refers to as his writing career He is most proud of his parallel universe collection A Saucerful Of Secrets His latest book is a biography of the Beatles spin doctor Derek Taylor For Your Radioactive Children Sonicbond 2020 His writing can be found at Eight Miles Higher andrewdarlington.blogspot.co.uk [Abbey Road: The Story of the World's Most Famous Recording Studios](#) Brian Southall, Peter Vince, Allan Rouse, 2011-08-15 The Beatles final album made London s Abbey Road recording studios forever famous But from their 1931 opening the studios had exerted a unique appeal for almost everyone who recorded there This revised and updated edition includes previously unseen pictures [Stephen Stills: Change Partners](#) David Roberts, David Gedge, 2016-10-28 Stephen Stills is one of the last remaining music legends from the rock era without a biography During his six decade career he has played with all the greats His career sky rocketed when Crosby Stills Nash played only their second gig together at Woodstock in 1969 With the addition of Neil Young the band would go on to play the first rock stadium tour in 1974 Stephen Stills is the only person to have been inducted twice in one night into The Rock and Roll Hall of Fame **London's Working-Class Youth and the Making of Post-Victorian Britain, 1958-1971** Felix Fuhg, 2021-05-20 This book examines the emergence of modern working class youth culture through the perspective of an urban history of post war Britain with a particular focus on the influence of young people and their culture on Britain s self image as a country emerging from the constraints of its post Victorian imperial past Each section of the book Society City Pop and Space considers in detail the ways in which working class youth culture corresponded with a fast changing metropolitan and urban society in the years following the decline of the British Empire Was teenage culture rooted in the urban experience and the transformation of working class neighbourhoods Did youth

subcultures emerge simply as a reaction to Britain's changing racial demographic To what extent did leisure venues and institutions function as laboratories for a developing British pop culture which ultimately helped Britain re-establish its prominence on the world stage These questions and more are answered in this book *Blood Harmony* Barry

Mazor, 2025-07-22 The definitive biography of the Everly Brothers one of the greatest and most influential acts in popular music history based on dozens of exclusive and archival interviews as well as long lost global reporting In between the Elvis years and the rise of the Beatles there was no bigger act than The Everly Brothers From 1957-1962 they were among the highest selling pop acts in the U.S. In that time they developed their own brand of rock n roll and gentle pop balladry that leaned heavily on older close harmony styles of country music singing Wake Up Little Susie All I Have to Do Is Dream Cathy's Clown Let it Be Me their hits were legion and their sweet and sour Appalachian style harmonies influenced everyone from The Beatles to Simon and Garfunkel to the Beach Boys to Crosby Stills and Nash The Everly Brothers Don and Phil are inducted members of both the Rock and Roll Hall of Fame and the Country Music Hall of Fame and progenitors of the hybrid Americana roots music format *Blood Harmony: The Everly Brothers Story* is the first biography that's focused on the dramatic complicated relationship of these two famous and strikingly talented brothers and explores how the evolution of their relationship played out in the much loved music they created through some sixty years of performing Their story is the story of American music from their rural Kentucky origins to massive international fame falling out of fashion in the wake of the rise of rock bands and singer songwriters and their many comebacks *Blood Harmony* is a fitting ode to the brothers who made a huge impact on the modern music scene celebrating how their creative blood harmony evolved to become an entry point into country music for millions around the world **Listen to Classic Rock!** Melissa Ursula Dawn

Goldsmith, 2019-11-22 *Listen to Classic Rock: Exploring a Musical Genre* provides an overview of this diverse and complex musical genre for scholars of classic rock and curious novices alike with a focus on 50 must hear musicians songwriters bands and albums *Listen to Classic Rock: Exploring a Musical Genre* explores in detail the genesis evolution and proliferation of classic rock It begins with a background on the development of classic rock and its subgenres Next an A to Z listing of artists musicians songwriters and bands albums important concerts and songs a chapter on classic rock's impact on popular culture a chapter on classic rock's legacy and a bibliography This organization gives readers the choice of starting from the beginning to learn how classic rock and each of its subgenres emerged after rock and roll or skip ahead to a specific artist recording or song in the Must Hear Music section This volume stands out from other resources on classic rock for its listening centered approach Most books on classic rock focus on trivia history terminology or criticism It also explores the sound of the music of important artists and offers musical analyses that are accessible to upper level high school and lower level undergraduates while at the same time maintaining the interest of classic rock aficionados and scholars **Abbey**
