Redemption and Restoration David Matzko McCarthy, Vicki Schieber, Trudy D. Conway, 2017-11-15 The Catholic Church teaches that punishment must have a constructive and redemptive purpose and that it be coupled with treatment and when possible restitution Rehabilitation and restoration must include the spiritual dimension of healing and hope Since the publication of the United States Conference of Catholic Bishops 2000 pastoral statement on restorative justice the conversation surrounding the need for criminal justice reform and restorative justice has moved forward Redemption and Restoration responds from a Catholic perspective to help form an educational campaign to equip Catholics and their leaders to participate in the national conversation on this issue create the programs needed to assist in healing the harm caused by crime and restore our communities The book develops the traditional Catholic understanding of justice offers a theological understanding of restorative justice explains how it can be implemented and reflects on the practical arguments for restorative justice Grounded in the stories of real people Redemption and Restoration helps readers gain a deeper understanding of how this affects us all as a country and a church It includes discussion questions to engage groups in exploring issues related to restorative justice

Is this All There Is? Gerhard Lohfink, 2018 2020 Catholic Press Association second place award for English translation edition Is the Christian hope for resurrection still alive or has it become tired How can we talk about the Resurrection today Gerhard Lohfink takes up the question of death and resurrection in this new book He argues against the dazzling array of today's ideas and expectations and seeks his answers in Scripture the Christian tradition and human reason With his characteristically gentle but clear language he reveals the power of Christian resurrection showing it is not about events that lie in the distant future but rather occurrences incomprehensibly close to us They were long since begun and they will embrace us fully in our own death

The Burden Is Light Jon Tyson, 2018-03-13 A NYC pastor and global influencer inspires readers to find their most meaningful and purposeful life Surprising to many this life is not measured by success comparison or accolades Rather free and joyful living stems from a God centered celebration of our union with Christ and the lives of those around us Jon Tyson's exploration of the reverse economy of the kingdom frees his readers from merit based living not just in terms of salvation but daily earthly value Life is not meant to be a series of competitions or a survival of the fittest rat race Yet so many of the messages around us so many of the voices bombarding our hearts and minds tie up our value and package it with our accolades This book gives another way forward It shows readers how to value their individual lives based on what God says about them rather than how they measure themselves against the world This is a must read for each and every person trying to find their voice and purpose in a loud and frenetic world

The Mind of Pope Francis Massimo Borghesi, 2018-10-04 A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors Massimo Borghesi's *The Mind of Pope Francis* Jorge Mario Bergoglio's Intellectual Journey dismantles that image Borghesi recounts and analyzes for the first time Bergoglio's intellectual formation exploring the philosophical theological and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry Central to that vision is the

church as a coincidentia oppositorum holding together what might seem to be opposing and irreconcilable realities Among his guiding lights have been the Jesuit saints Ignatius and Peter Faber philosophers Gaston Fessard Romano Guardini and Alberto Methol Ferrer and theologians Henri de Lubac and Hans Urs von Balthasar Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church Notably this groundbreaking book is informed by four interviews provided to the author via audio recordings by the pope himself on his own intellectual formation major portions of which are published here for the first time

Bothering to Love Vogt, Christopher P., Ward, Kate, 2024-08-28 *Synodality* Nihal Abeyasingha, 2025-06-03 Though much has been written on the pastoral dimension of Pope Francis approach there is little or none on the specific impact and call of the Synod Towards a Synodal Church Communion Participation Mission is the programme proposed by Pope Francis for the Church These are good and noble concepts but in their implementation human sin is bound to enter While elaborating on the promise of this programme little or nothing has been said of the interaction of implementation and the negativity of sin This new book aims to identify some of the negative elements functioning in the implementation of the programme It introduces a nuancing of Christian reflection in the spirit of Pope Francis especially in seminaries and places for the formation of religious With the conclusion of the Catholic Synod 2021 2024 there is a need for intellectual moral and religious conversion in order to bring forth the fruits of the Synod The book also offers a proposal for the elaboration of doctrine a paradigm for theology in terms of the Pope s programme a theology that is a journeying together that is a journeying out of selfishness The book will be of interest to all faculties of Catholic Theology and wider students and researchers of modern faith and religion **Pope Francis** Wall, Barbara E., Faggioli, Massimo, 2019-12-19 **Holy Blasphemies** Rausch, Thomas P., SJ, 2023 Holy Blasphemies asks such questions as Why is God so difficult to find Why is there not a more effective way to reveal himself Does God punish Why do we need the Church In answering these questions the book explores the mysteries of creation life suffering prayer with brief chapters on the reign of God the Passion Easter change building bridges and so on drawing on popular culture science spirituality and the Catholic tradition Throughout the book there is an emphasis on the encyclicals and apostolic exhortations of Pope Francis *Dostoevsky's Incarnational Realism* Paul J. Contino, 2020-08-17 In this book Paul Contino offers a theological study of Dostoevsky s final novel The Brothers Karamazov He argues that incarnational realism animates the vision of the novel and the decisions and actions of its hero Alyosha Fyodorovich Karamazov The book takes a close look at Alyosha s mentor the Elder Zosima and the way his role as a confessor and his vision of responsibility to all for all develops and influences Alyosha The remainder of the study which serves as a kind of reader s guide to the novel follows Alyosha as he takes up the mantle of his elder develops as a monk in the world and at the end of three days ascends in his vision of Cana The study attends also to Alyosha s brothers and his ministry to them Mitya s struggle to become a new man and Ivan s anguished groping toward responsibility Finally Contino traces Alyosha s

generative role with the young people he encounters and his final message of hope

The Future of Catholicism in America Mark Silk, Patricia O'Connell Killen, 2019-04-02 Catholics constitute the largest religious community in the United States Yet most American Catholics have never known a time when their church was not embroiled in controversies over liturgy religious authority cultural change and gender and sexuality Today these arguments are taking place against the backdrop of Pope Francis's progressive agenda and the resurgence of the clergy sexual abuse crisis What is the future of Catholicism in America This volume considers the prospects at a pivotal moment Contributors scholars from sociology theology religious studies and history look at the church's evolving institutional structure its increasing ethnic diversity and its changing public presence They explore the tensions among members of the hierarchy between clergy and laity and along lines of ethnicity immigration status class generation political affiliation and degree of religious commitment They conclude that American Catholicism's future will be pluriform reflecting the variety of cultural political ideological and spiritual points of view that typify the multicultural democratic society of which Catholics constitute so large a part

Will Pope Francis Pull It Off? Rocco D'Ambrosio, 2017-03-29 Pope Francis has made no secret of the fact that he seeks to reform the Catholic Church especially the institutional components by which it is guided and governed Standing in his way are institutional inertia simplistic ideologies scandals and the resistance of some who will not readily relinquish power Can he pull it off In this smart and thoughtful book priest sociologist Rocco D'Ambrosio carefully considers the personality convictions and gifts the pope brings to the task He explores the hurdles Francis faces the tools at his disposal and his prospects for success The result is an institutional analysis of the Catholic Church in the Bergoglio era that promises rich new insights and plenty of food for thought to every reader
