Missing More Than Music Danny Corbitt, 2008-11-04 We're missing out on hearing one another's songs on worship in our daily lives on passion in our praise on the dance of David on fellowship with Christians who disagree on sharing testimony of God's work in our assemblies on agreeing together and more In the Churches of Christ some begin to broaden their experience in praise wishing they could answer the questions of those who feel left behind Missing More than Music understands why we look at the same evidence and disagree There is hope for worship and unity We're missing more than music Let's have all that we've been missing together *Biblical Truths* Dale B. Martin, 2017-02-21 A leading biblical scholar's landmark work challenges the historical realism that has dominated the discipline for more than two centuries How can a modern person informed by science and history continue to recite the traditional creeds and confessions of the Christian church What does the Bible mean and how do we verify biblical truths In this groundbreaking book a leading biblical scholar urges readers to be more creative interpreters of biblical texts mapping out an alternative way of reading that is not first and foremost about understanding what those texts would have meant for the original authors and readers Limiting our study to the ancient meaning of the text he argues has produced either bad history or bad theology or both One cannot derive robustly orthodox Christian doctrine or theology from a mere historical interpretation of the Bible Martin offers instead

theological readings of the New Testament that are faithful to Christian orthodoxy as generally understood but without attempting a foundationalist understanding of the meaning of the text His provocative and ambitious book demonstrates how theology and scripture can remain vital in the twenty first century *Applied New Testament Bible Commentary* Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about Proverbs Paul Koptak, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

Fredericks,2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation
