Legacy of Hope

By Chimamanda Ngozi Adichie

BARACK OBAMA IS as fine a writer as they come. It is not merely that this book avoids being ponderous, as might be expected, even forgiven, of a hefty memoir; but that it is nearly always pleasurable to read, sentence by sentence, the prose gorgeous in places, the detail granular and vivid. From Southeast Asia to a forgotten school in South Carolina, he evokes the sense of place

with a light but sure hand. This is the first of two volumes, and it starts early in his life, charting his initial political campaigns, and ends with a meeting in Kentucky where he is introduced to the SEAL team involved in the Abbottabad raid that killed Osama bin Laden.

His focus is more political than personal, but when he does write about his family it is with a beauty closer to nostalgia. Wriggling Malia into her first ballet tights. Bobby Sasha's laugh as he mumbles her feet. Michelle's breath slowing as

she falls asleep against his shoulder. His mother sucking on cubes, her glands destroyed by cancer. The narrative is rooted in a storytelling tradition, with the accompanying tropes, as with the depiction of a staffer in his campaign for the Illinois State Senate, "taking a drag from her cigarette and blowing a thin plume of smoke to the ceiling." The dramatic tension in the story of his gaze-crashing, with Hillary Clinton by his side,

New York Times Book Review:

The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

The New York Times Book Review The New York Times, 2021-11-02 A delightful Vanity Fair collection from the longest running most influential book review in America featuring its best, funniest, strangest and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, The New York Times Book Review has brought the world of ideas to the reading public. It is the publication where authors have been made and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review's dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews never before heard, anecdotes about famous writers and spicy letter exchanges. Here are the first takes on novels we now consider masterpieces, including a long forgotten pan of Anne of Green Gables and a rave of Mrs. Dalloway, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron and more. With scores of stunning vintage photographs, many of them sourced from the Times's own archive, readers will discover how literary tastes have shifted through the years and how the Book Review's coverage has shaped so much of what we read today.

Michigan in Literature Clarence A. Andrews, 1992 Michigan in Literature is a guide to more than one thousand literary and dramatic works set in Michigan from its pre-territorial days to the present. Imaginative narrative, dramatic and lyrical creations that have Michigan settings, characters, subjects and themes are organized into sixteen chapters on topics such as Indians in Michigan, settlers who came to Michigan, diversity in the state, the timber industry, the Great Lakes, crime in Michigan, literature, Detroit and Michigan poetry. In this most complete work to date, Clarence Andrews has assembled the literary reputation of a state. He illustrates with a wide variety of literary works that Michigan is more than just a builder of automobiles, a producer of apples and cherries, a supplier of copper and lumber, and the home of great athletes. It is also a state that has played and continues to play an important role in the production of American literature. To qualify for inclusion, a work or a significant part of it has to be set in Michigan. Andrews shows how novelists, dramatists, poets and short story writers have created their particular images of Michigan by using and interpreting the history of the state, its land and waters, people, events, ideas, philosophies and policies, sometimes factually, sometimes modified or distorted, and sometimes fancied or imagined. Biographical information is featured about authors, editors and compilers who range in fame from Ernest Hemingway and Elmore Leonard to persons long forgotten. The published opinions and judgments of reputable critics and

scholars are also presented **The Image of Man in C. S. Lewis** William Luther White,2009-01-12 It is in the role of remythologizer that C S Lewis has been most misunderstood and it is there that his importance lies His was the poetic intensity that saw all hell swallowed by a butterfly with no harm done Of his creation are allegories and myth that express very real elements of life beyond understanding or capture for more than a moment White s 1969 study is the first to examine the entire Lewis corpus and the first to offer such an extensive bibliography To these invaluable aids for Lewis scholars White adds his own training in theology and literary criticism and a sensitivity to the complexities of the artist and the religious man His interpretation of the intricate skeins of belief to be found in Lewis work make this study as significant to the theological as to the literary world **Wendy Wasserstein** Claudia Barnett,2013-06-17 Wendy Wasserstein A

Onoto Watanna Diana Birchall,2001 In 1901 Winnifred Eaton arrived in New York City with literary ambitions journalism experience and the manuscript for A Japanese Nightingale the novel that would make her famous Her writing and gift for reinvention would set her apart from other women authors of her time and make her a fascinating early figure in Asian American literature Diana Birchall Eaton s granddaughter tells the Horatio Alger story of the woman who became

Onoto Watanna Born to a British father and a Chinese mother Winnifred capitalized on her exotic appearance and protected herself from Americans scorn of the Chinese by becoming Japanese Her popular Japanese themed romance novels thrust her into the glittering world of New York s literati From there she leapt to Hollywood to become a scriptwriting protégé of Carl Laemmle at Universal Studios Yet her boldness and talent masked a sometimes desperate personal life that included a troubled first marriage and the sudden end of her Hollywood career A compelling saga of the shifting boundary between life and art Onoto Watanna reveals the conflicting stories personal tempests and remarkable accomplishments of a woman whose career was sensational in every sense Budd Schulberg Nicholas Beck,2001 This is the first overview of Schulberg s career 1937 2000 his own autobiography *Moving Pictures* covers his life only to age 17 For more than six decades Budd Wilson Schulberg has known success in virtually every category of American writing Raised in the Hollywood of the 1920s as the privileged son of a pioneer studio mogul Schulberg achieved fame as novelist short story writer playwright Oscar winning screenwriter and boxing historian He also became a central figure in the entertainment industry s political turmoil of the 1940s and 50s fleeing first from the Communist Party s attempts to control his writing then testifying as a cooperating witness before the House Committee on Un American activities and finally emerging as a leader of the nation s non Communist Left Schulberg chronicled these events in the country s leading newspapers and intellectual journals He has also known and written about many other American writers and their difficulties in maintaining or recapturing early success Scott Fitzgerald Ernest Hemingway Nathanael West William Saroyan John Steinbeck William Faulkner John O Hara Irwin Shaw and many other distinguished novelists and playwrights who were doing studio work *American Women Writing Fiction* Mickey Pearlman,2021-03-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates Jayne Anne Phillips Susan Fromberg Schaeffer and Mary Lee Settle represent that geographic ethnic and racial diversity that is distinctively American Their differing perspectives on literature and the American experience have produced Erdrich s stolid North Dakota plainswomen Didion s sun baked dreamers and screamers the urban ethnics Irish Jewish and black of Gordon Schaeffer and Bambara Oates s small town often violent neurotics Lurie s intellectual sophisticates and the southern survivors and victims male and female of Phillips Settle and Godwin The ten original essays in this collection focus on the traditional themes of identity memory family and enclosure that pervade the fiction of these writers The fictional women who emerge here as these critics show are often caught in the interwoven strands of memory perceive literal and emotional space as entrapping find identity elusive and frustrating and experience the interweaving of silence solitude and family in complex patterns Each essay in this collection is followed by bibliographies of works by and about the writer in question that will be invaluable resources for scholars and

general readers alike Here is a readable critical discussion of ten important contemporary novelists who have broadened the pages of American literature to reflect more clearly the people we are **America's Agatha Christie** Rick Cypert,2005

Between 1929 and 1988 American mystery writer Mignon Good Eberhart wrote fifty nine mystery novels at least as many short stories and served a term as president and Grand Master of the Mystery Writers of America This study of Eberhart s life and work considers the influence of her childhood in Nebraska her marriage and frequent travels and her various professional and personal contacts in Chicago and on the East Coast Eberhart s friendships with well known literary figures including mystery and romance authors provide a fascinating glimpse into the social matrix of a bygone publishing world Eberhart s experiences with Hollywood and Broadway show how the mystery genre and writer were transformed in an alternate medium Leading women s magazines of the day also sought Eberhart s talent and inevitably transformed her writing Eberhart s novels and correspondence provide insight into the social mores of her day in particular about women s friendships repressed sexuality and closeted homosexuality Those interested in cultural studies women s studies and twentieth century popular literature will find this book valuable Understanding Penelope Fitzgerald Peter Wolfe,2004

With readings of a broad range of her published works including her final novel *The Blue Flower* Wolfe describes the unfolding of Fitzgerald s writing as a subtle ongoing process He maintains that the novels though plain and rambling at first glance grow fuller stranger and more stirring the more we invest in them He details Fitzgerald s skill at sequencing events so as to unsettle readers and her ability to enhance motifs by not leaning too hard on them Wolfe suggests that Fitzgerald s refusal to overplay effects and emotions while at first puzzling in its disdain for drama turns out to be one of her chief virtues for she enables larger associations to emerge as she keeps big dramatic scenes from interfering with wider patterns

BOOK JACKET *Contemporary American Women Writers* Catherine Rainwater,William J. Scheick,2014-10-17 Ann Beattie Annie Dillard Maxine Hong Kingston Toni Morrison Cynthia Ozick Grace Paley Marge Piercy Anne Redmon Anne Tyler and Alice Walker all seem to be especially concerned with narrative management The ten essays in this book raise new and intriguing questions about the ways these leading women writers appropriate and transform generic norms and ultimately revise literary tradition to make it more inclusive of female experience vision and expression The contributors to this volume discover diverse narrative strategies Beattie Dillard Paley and Redmon in divergent ways rely heavily upon narrative gaps surfaces and silences often suggesting depths which are lamentably absent from modern experience or which mysteriously elude language For Kingston and Walker verbal assertiveness is the focus of narratives depicting the gradual empowerment of female protagonists who learn to speak themselves into existence Ozick and Tyler disrupt conventional reader expectations of the anti novel and the family novel respectively Finally Morrison s and Piercy s works reveal how traditional narrative forms such as the Bildungsroman and the soap opera are adaptable to feminist purposes In examining the writings of these ten important women authors this book illuminates a significant moment in literary history when women s voices are
