MORMONISM, THE DEAD SEA SCROLLS, AND THE NAG HAMMADI TEXTS Eugene Seaich,2012-09-19 Just how do ancient documents discovered in the Middles East in the mid twentieth century relate to Latter day Saint beliefs In this intriguing discussion Latter day Saint scholar Eugene Seaich answers that question and many others as he explores the fascinating connections among the Dead Sea scrolls the Nag Hammadi texts and the teachings of Mormonism He shows us conclusively that those connections do indeed exist and that they support the mission and message of Joseph Smith The very doctrines revealed by Joseph Smith to a startled world a hundred and fifty years ago have begun to

reappear in the writings of the early Jews and Christians Collected Writings on Scripture D. A. Carson, 2010-07-01 God's Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor. Respected scholar D. A. Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts. In part 1, Carson selects essays written on such themes as how to interpret the Bible, recent developments in the doctrine of Scripture, unity and diversity in the New Testament, and redaction criticism. Presenting a theologically balanced and confessional perspective, Carson defines the terms of a number of debates, critiques interpretive methods and theories, and suggests positive guidelines for future action. Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture. Though substantial in content, Carson's detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority. This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible.
