unique in its perspective and singular in its approach He is arguably America s most distinguished writer of prose poems Here are contorted Darwinian narratives of apes and monkeys exhibiting absurdly human behavior along with his usual menagerie of elephants horses chickens roosters dogs mermaids and mice Along with his trademark humor The Rooster s Wife finds Edson contemplating age mortality and immortality as well Of Memory and Distance It s a scientific fact that anyone entering the distance will grow smaller as he proceeds Eventually becoming so small he might only be found with a microscope if indeed he is found at all But there is a vanishing point where anyone having entered the distance must disappear entirely without hope of his ever returning leaving only the memory of his ever having been But then there is fiction so that one can never really be sure if one is remembering someone who vanished into the distance or simply who had been made of paper and ink Russell Edson has been called a surrealist comic genius a magician of metaphor and imagination He is all of these and a philosophical poet whose zany expeditions into the twisted labyrinths of logic resemble Lewis Carroll s adventures through the wonderlands of paradox and illusion Perhaps that is why even people who do not read significant amounts of contemporary poetry can immediately appreciate the playful accessibility of Russell Edson s writing What he pulls out of the hat of the subconscious is always unpredictable immediate and surprising Russell Edson s books include The Very Thing That Happens 1964 The Childhood of an Equestrian 1973 The Tunnel Selected Poems 1994 and The House of Sara Loo Rain Taxi Chapbook Series 2002 He lives in Darien Connecticut

For the Kingdom Anthony Piccione,1995 Piccione is less concerned with public imagery and more with the human psyche how the unconscious can surface and lead us toward discoveries in language that sustain us As such the poems are visionary and vital finding passage

through the woods and fields surrounding the author's cabin in rural Upstate New York. Complementing the poems are lyrical prose memoirs. Here readers travel through a mountain pass in Tibet, ride the Jericho Highway from Long Island to Bensonhurst, and accompany Piccione as he teaches poetry to Chinese students in Beijing.
