Motion Picture Biographies John Cones,2015-04-01 Hollywood movies are famous for promoting negative stereotypes of all kinds especially against minorities women Southerners and Christians To what extent are biographical films selected for production according to certain biases conscious or unconscious among the Hollywood elite An expert on the U S film industry gives readers brief synopses of Hollywood biopics produced and or released from 1912 through 1994 This survey provides the basis for discussion and analysis Tracking these one sided depictions over a longer period of time the patterns of bias and the source of the problem become more clear The problem appears to be that most of the people who have green light authority in the U S film industry for either the production and or distribution of a motion picture share a common ethnic religious cultural background Thus the stories of their own cohort and those of all other ethnic religious and or cultural groups whose members seldom achieve positions of power in Hollywood are being filtered through the cultural sensibilities of a single group John Cones suggests that the solution could lie in increasing diversity at the highest levels in the U S film industry

Appleton's Cyclopædia of American Biography James Grant Wilson, John Fiske, 1887 **Hollywood's Image of the South** David Ebner, Larry Langman, 2001-09-30 From the 1920s and 1930s when American cinema depicted the South as a demi paradise populated by wealthy landowners glamorous belles and happy slaves through later more realistic depictions of the region in films based on works by Erskine Caldwell Tennessee Williams William Faulkner and Robert Penn Warren Hollywood's view of the South has been as ever changing as the place itself This comprehensive reference guide to Southern films offers credits plot descriptions and analyses of how the stereotypes and characterizations in each film contribute to our understanding of a most contentious American time and place Organized by subjects including Economic Conditions Plantation Life The Ku Klux Klan and The New Politics Hollywood's Image of the South seeks to coin a new genre by describing its conventions and attitudes Even so the Southern film crosses all known generic boundaries including the comedy the women's film the noir and many others This invaluable guide to an under recognized category of American cinema illustrates how much there is to learn about a time and place from watching the movies that aim to capture it

American Legend Buddy Levy, 2006-12-05 David Crockett was an adventurer a pioneer and a media savvy national celebrity In his short but distinguished lifetime this charismatic frontiersman won three terms as a U S congressman and a presidential nomination His 1834 memoir enjoyed frenzied sales and prompted the first ever official book tour for its enormously popular author Down to earth heroic and independent to a fault the real Crockett became lost in his own hype and he's been overshadowed by a larger than life pop culture character in a coonskin cap Now American Legend debunks the tall tales to reveal the fascinating truth of Crockett's hardscrabble childhood his near death experiences his unlikely rise to

Congress and the controversial last stand at the Alamo that mythologized him beyond recognition In this beautifully written narrative Crockett emerges as never before a rugged individual a true American original and an enduring symbol of the Western frontier A great myth busting story that presents Davy Crockett as a man of genius and folly which has the unlikely effect of making him all the more heroic Martin Dugard author of *The Last Voyage of Columbus* and *Into Africa* The Epic Adventures of Stanley and Livingstone As spellbinding and dramatic as any novel and as compelling as any reportage Peter Hoffer Distinguished Research Professor of History The University of Georgia

Icons of American Architecture Donald Langmead, 2009-03-05 What turns a building into an icon What is it about some structures that makes their history and legend even more important than their original intended use making them a part of American and world popular culture Twenty four buildings and structures including the Brooklyn Bridge the White House the Hotel del Coronado and the Washington Monument are presented here along with their roles in fiction film music and the imagination of people worldwide Approximately twenty five images are included in the set along with sidebars featuring additional structures A *History of American Biography, 1800-1935* Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day John Wayne Richard D. McGhee, 2016-09-30 After the death of Marion Morrison known as John Wayne in 1979 President Jimmy Carter said that Wayne was bigger than life In an age of few heroes he was the genuine article But he was more than a hero he was a symbol of many of the qualities that made America great The first section of this study concentrates on Wayne s style of work and sphere of action as an actor The man who works for a living and is concerned with his audience and the constraints of his immediate environment The second section examines the artist the man who lives in his art who disappears into his character as an archetype of human fears and desires Analyses of films that have made Wayne a hero are presented in the third section A comprehensive filmography and numerous photographs are included
