Kubert School the controversial end of his Swamp Thing run his muckraking work as a comics journalist and his educational comics publishing venture Eureka Comics the interviews collected here reveal Veitch to be both a shrewd observer of the pitfalls of the marketplace and an eloquent spokesman for the boundless potential of creativity A comics maker since childhood and a fierce advocate of creator s rights and the possibilities of self publishing Veitch knows all too well the many persistent obstacles to creating comics that challenge readers instead of condescending to them Yet Veitch remains optimistic about the potential of comics According to Veitch comics might be the form of the future If that s the case then his work is a map to that future
