Nice Book Broken Whole Leaders Spiritual Transformation:

Not Quite Fine Carlene Hill Byron, 2021-10-05 A practical guide for people who care There is no time in history and no place in the world where so many people have understood themselves to be suffering from mental health problems There is also virtually no time and no place in the world where people who are suffering have been so readily ostracized In *Not Quite Fine* author Carlene Hill Byron tackles the mounting dilemmas that pastors and churches face around mental health Medicines and therapies have their roles in supporting those who live with mental health problems or mental illness But God's own body as the church is intended to be our greatest support in this world How can the church step up for such a time as this How can the body of Christ become a healing community for its members in pain a place where the weary find strength for the journey a place where those who mourn are raised up as rebuilders of the cities left in ruins Drawing on her own history of mental health problems and her experience as a teacher and lay counselor Byron offers words of hope for those who struggle as well as practical insights to equip congregations to better support those who are suffering in their midst

Broken and Whole Stephen A. Macchia, 2015-12-03 Ministry leader Steve Macchia has come to understand his own brokenness Writing from his own experience he offers the gifts of love found in 1 Corinthians 13 as the antidote to our brokenness along with spiritual assessment tools for the leader's personal reflection By embracing and befriending our own brokenness we can find wholeness in God's strength

The Vulnerable Pastor Mandy Smith, 2015-09-25 Sometimes pastors fear that if people knew who we really are we'd be disqualified from ministry Not so says pastor Mandy Smith Transparently describing her pastoral journey Smith shows how vulnerability shapes ministry unpacking the biblical paradox that God's strength is revealed in our weakness God has called you to lead just as the human you are

The Discerning Life Stephen Macchia, 2022-03-15 Spiritual discernment is a key theme in the Scriptures From the Garden when Adam and Eve turned away from the simplest terms of a relationship with God to the Garden when John the Apostle wrote the book of Revelation to a distracted people anticipating eternity discerning God has been the heart of the matter In modern times however we have forgotten the basic premise of practicing a preference for God out of which we then are invited to live for God Instead we have implanted strategic planning head to head battling and will of God knowing in its place In *The Discerning Life* Stephen A Macchia seeks to upend the one eyed and limited Christian understandings of spiritual discernment and invite readers and leaders to reconsider how they prioritize the care of their souls the grace of their communities and the mission of their lives churches and organizations When we have a fuller understanding of how spiritual discernment matters to the whole of our lives we will in turn encourage others to follow likewise and then lean fully into the

mission mandate and message of the whole counsel of God
