

HUNT FOR THE SAIPH

The background of the cover is a vibrant space scene. A large, reddish-orange planet with a textured surface occupies the lower-left and middle portions. In the upper right, a bright blue and white light source, possibly a star or distant planet, creates a lens flare effect. A futuristic, silver and black robot is the central figure, positioned diagonally across the frame. The robot has a complex, mechanical design with multiple joints and a helmeted head. It appears to be floating or moving through the space. The overall color palette is dominated by the reds and oranges of the planet, the blues and whites of the light source, and the metallic grays of the robot.
