Parents Left Behind Kyshun Andre Webster, 2010 Parents Left Behind is an in depth analysis of the policy implementation process for Section 1118 of the No Child Left Behind NCLB federal legislation Section 1118 was designed to increase parental involvement in local schools Four years after being signed into law the question of how Section 1118 is understood and is being implemented by selected stakeholders from the local state and federal levels were not answered in the available literature This multi level case study began the examination effort by describing how parental involvement programs were being implemented according to federal mandates in NCLB and how policy decisions to implement this law were made and interpreted by public actors at each governmental level to the street level context of the New Orleans Public School District Findings from this study suggest that resources for implementation were at best inadequate communications and translations of the policy have been slow and parents and teachers have been left behind not having been significantly involved in or informed about the policy The study provides insights and recommendations for federal policymakers State Education Authorities SEA and Local Education Authorities LEA to improve implementation and monitoring in future iterations of the law Awards and recognition Webster selected as 2010 Characters Unite award recipient

No Child Left Behind A Parents Guide , **The Complete IEP Guide** Lawrence M. Siegel, 2023-07-01 Recipient of the 2017 BRONZE Winner for Education Award from Foreword Indies Get the educational services and support your child deserves Federal law guarantees every child a free appropriate education and the goal of the Individualized Education Program IEP is to assure that every child with special needs receives what the law promises But you know that your family must make sure the school follows through This powerful book covers

eligibility rules and assessments working with outside experts developing your child's ideal educational program preparing for and attending IEP meetings and resolving disputes with school districts The 11th edition explains the law and provides key forms sample letters and resources you need at every stage of the IEP process With it you can ensure your child gets a good education the education your child deserves The 160-Character Solution Benjamin L. Castleman, 2015-11-15 A fascinating study that brings the power of behavioral economics to how schools work how students learn and how we can help them succeed For decades schools have invested substantial resources in boosting educational outcomes for disadvantaged students but those investments have not always generated positive outcomes Although many communities have expanded school choice for example families often choose to keep their children in failing schools And while the federal government has increased the size of Pell Grants many college bound students who would be eligible for aid never apply Then there is the troubling trend of summer melt in which up to 40 percent of high school graduates who have been accepted to college mostly from underserved communities fail to show up for the fall semester In The 160 Character Solution Benjamin L. Castleman shows how insights from behavioral economics the study of how social cognitive and emotional factors affect our decisions can be leveraged to help students complete assignments perform to their full potential on tests and choose schools and colleges where they are well positioned for success By employing behavioral strategies or nudges Castleman shows administrators teachers and parents can dramatically improve educational outcomes from preschool to college Castleman applies the science of decision making to explain why inequalities persist at various stages in education and to identify innovative solutions to improve students academic achievement and attainment By focusing on behavioral changes Castleman demonstrates that small changes in how we ask questions design applications and tailor reminders can have remarkable impacts on student and school success **The Everything Parent's Guide to Raising Boys** Cheryl L.
