contained in this book were all written at key points in my life In essence each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God Each piece included in this book focuses on salvation and who you are in God You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song and such pieces can be converted to contemporary Gospel songs Because of the connection between these poems and my heart I feel these are my most personal work This book is the first of more to come I hope that in reading these short pieces you too can be inspired to believe I believe these poems will inspire you no matter where you may find yourself in life as they will serve to remind you that you are somebody because God values you The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross We live in a world that does not value human dignity a world that treats people as if they are commodities But I hope to introduce you through these writings to a higher love It is my desire that you learn to see yourself through the eyes of God rather than through the eyes of the world Remember better is not good enough The best is yet to come **No Greater Love**

A successful social worker and therapist, she has long since conquered the demons of her past, leaving behind the memories and hurts of being abandoned by her parents and the abuse of her grandmother. Her parents had chosen their addictions over their only child many years before, and her grandmother. Well, all Anita could do was thank God that she had passed on. Now Anita is free to move on with her life and put all of that behind her. Her past can no longer hurt her. It is safe for her to return to her native South Carolina where her dear friends are. Or is it? Did she really deal with her past during her time up north, or did she just run away from it? She will have to figure that out in order to improve her relationship with Thomas and Maxine. And that is what she wants more than anything now. If you don't make peace with your past, Maxine had told her, not only will it keep you from enjoying the present, but it can rob you of the kind of future that you want too. Can Anita's dream of a loving family finally

be fulfilled with Thomas and Maxine or will the ghosts of the past continue to keep her from possessing what her heart desires most Can she have the peace and the happiness that she longs for or will her past once again threaten her future happiness The choice was Anitas to make She alone must to decide if she will let her past help her instead of hurt her if she could only figure out how

Discovering the Meaning of Life Josh Walter,2021-09-08 Have you ever asked yourself what the purpose of your life is Do you feel like life is meaningless because you have not encountered a convincing answer to that question Well you are not alone Many philosophers have argued that a clear answer to the problem of meaning is forever lost and that there is no rational way to secure purpose If a solution could be discovered it would only be a very subjective one We may construct one for ourselves according to this line of thinking but an objective purpose can never be found I wrote this book because I strongly disagree with this contention If you are interested in this adventurous question you will find in these pages a novel approach to the problem and I argue that through philosophical inquiry we indeed can uncover an objective meaning to our lives This book is a step by step guide to walk you through the tough questions in the philosophy of meaning and to bring you closer to your destiny Our purpose is relevant for all of us And perhaps the solution touches deeper than you might have ever dared to imagine
