

But all the people on the Earth were doing badly,
so God decided to send a Flood that would wipe out evil.

However, there was one good man on Earth.
His name was Noah, and God trusted him.

God decided that He would save Noah
by telling him that the Flood was coming,
and that Noah should build a really big boat, called an ark.

After Noah had built the ark, God told him to put two of every
animal on the Earth in it, both male and female.

The family, and the animals, were all safely on the ark,
so God sent the rain to stop falling for forty days and nights.

Soaked the Earth. Every living thing on the face of the
earth was dead except for Noah, his family, and the animals who
were safe in the ark.

The sun came out, the waters started to dry up,
and Noah sent out a raven to find dry land, but it came straight back.
