*Notes on the Minor Prophets* H. Ironside, 2016-03-24 It was with no definite purpose of writing a series of Notes on the Minor Prophets as a whole that I first began to take up various books of the twelve in monthly installments in **HELP AND FOOD FOR THE HOUSEHOLD OF FAITH** But after penning some notes on Habakkuk Jonah and Obadiah I found my own soul helped and an interest developed in the further study of these much neglected portions of Scriptures and so took up Hosea and the books following I have sought to press their practical application as giving important teaching for a remnant people in a day of decline while not neglecting their dispensational bearing This I am persuaded is what is greatly needed at the present moment If God be pleased to use the Notes for the stirring of His people's consciences and the comfort of their hearts the desired end will be realized H A IRONSIDE **Ironside Expository Commentaries** H.
