**QuickBase: The Missing Manual** Nancy Conner, 2007-03-21 Ready to put Intuit's QuickBase to work? Our new Missing Manual shows you how to capture, modify, share, and manage data and documents with this web-based data sharing program quickly and easily. No longer do you have to coordinate your team through a blizzard of emails or play frustrating games of guess which document is the right one. QuickBase saves your organization time and money, letting you manage and share the information that makes your business tick: sales figures, project timelines, drafts of documents, purchase or work requests. Whatever information you need to keep business flowing smoothly, QuickBase The Missing Manual shows you how to choose among QuickBase's dozens of ready-made applications, mini-databases, essentially, and how to customize one to fit your needs exactly. You'll also learn to assign people different roles within the application. The guide also shows you how to capture and modify data. Whatever kind of data you need to store: sales leads, catalog listings, project milestones, workflow checklists, you can use QuickBase's forms to record and organize that data so it makes sense to you. Filter, sort, and group data. Easily find the records that match your criteria and then sort those records into groups that make their relationships clear. Display your data. QuickBase uses different views: Table, Grid, Edit, Summary, Crosstab, Calendar, Chart, and Timeline to display and summarize data. Switching between them is easy, like taking tasks listed in a table and displaying them as a timeline. Create reports. Print out a hard copy, embed charts in the annual report, or email this month's sales numbers. Because Intuit frequently introduces new features to QuickBase, you'll find updates to this book at our Missing Manual web site so you can benefit from the latest technology and user suggestions right away.
