## **Overcoming Addiction By The Spirit Of Christ:**

*Overcoming Addiction* Joseph Herrin, 2008-07-01 Whether one is addicted to drugs alcohol pornography or another besetting sin the Scriptures reveal that in Christ we find the way of deliverance The Israelites journey out of the bondage of Egypt through the wilderness and their warfare to take possession of the land of Canaan serve as a panoramic parable of man's journey out from the slavery of sin to freedom over all the desires and passions of the flesh Step by step the Old Testament journey reveals God's plan to set the captives free The shadows and types of the Old Testament point to the substance of God's deliverance from addiction through Christ

**A MISSIONARY LOOKS AT 12 STEPS TO OVERCOME ADDICTION AND SIN** Richard Lehman, 2023-02-28 A Christian based 12 step process helps us to overcome addiction by attaching to the faithful love of the Savior enabling healthy relationships with other people And so a missionary Richard Lehman looks at the 12 step process and prayerfully applies the wisdom of the scriptures to it And in doing so he has also found this process helpful in providing insights into how to work with different individuals to bring them to Christ Richard spends much time training hundreds of other ministers And in addition to helping those addicted this 12 step process has become a key resource for training gospel workers who help those that are addicted Experience has proved that everyone wrestles with deep hurts of some kind There is a deep empty hole in the heart of the soul and it must be filled somehow How we fill that hole or comfort ourselves within that empty space will determine what sin we become addicted to It is sin someone else's or ours that ultimately first creates a void in the heart of the individual Unfaithfulness is the sin of betrayal Someone trusted another with their heart and then that same person broke their heart It happens to children in their relationship with their parents or relatives or trusted others It happens often within many marriage relationships And it happens within everyone's life at some point by how their own sin betrays the faithful love of the Savior And so people go through life hiding the pain of betrayal Instead of seeking for healing through a loving Savior they resort to other things And in doing so they become addicted to some substance some sin or both And they often don't know where to start to find a way out This book seeks to help them not only start down the right path but to also find complete healing through the love of our Lord Jesus Christ So throughout this 12 step process you will see that the book is addressed to two audiences at the same time Those who need help over addictions and those that are trying to help them And there is an important reason for this Because people who need help to overcome addictions need to completely trust those that are working with them And so if you are using this process to help them these people also want transparency and understanding as to what they are being asked to do and why There can be no hidden agendas in helping people Jesus came so that relationships can be healed He also sent the comforter of the Holy Spirit so that every pain that sinful mankind could bring against us could still be comforted and healed in this life If ye love me keep my commandments And I will pray the Father and he shall give you another Comforter that he may abide with you for ever Even the Spirit of truth whom the world cannot receive because it

seeth him not neither knoweth him but ye know him for he dwelleth with you and shall be in you I will not leave you
