Owly And Wormy Bright Lights And Starry Nights:

Owly & Wormy, Bright Lights and Starry Nights Andy Runton, 2012-11-13 Out on a stargazing venture in this wordless picture book Owly and Wormy discover that it's fine to be frightened but it's better to be brave Owly and Wormy want to see the stars So they gather their telescope and their lantern and head out into the dark night all the way to the edge of their branch Try as they might though they can only see leaves and branches and more leaves But these two friends are not about to let a little obstacle like foliage stop them They head back home and stock up for a longer trip Armed with camping gear galoshes and tasty treats and their wits of course Owly and Wormy set out once again This time though there are even bigger challenges to face What's that screee sound What's that click click clicking sound And what happened to their telescope Oh dear But if they're brave enough they just might discover that there are nearly as many new friends on the horizon to help them as there are stars in the sky
