**Using, and Interpreting Hadrian's Wall as World Heritage** Peter G. Stone,David Brough,2013-11-13 Hadrian s Wall was inscribed as a World Heritage Site WHS in 1987 and with the German Limes became one of the first two parts of the transnational Frontiers of the Roman Empire FRE WHS in 2005 The World Heritage Site of Hadrian s Wall is unusual although not unique among World Heritage sites in its scale and linear nature stretching from Ravenglass on the west coast of England to Newcastle upon Tyne on the east coast over 150 miles Along its length it passes through two major urban centres and a variety of rural landscapes and its remains vary from substantial upstanding architectural features to invisible below ground archaeology Traditionally many of the constituent parts of Hadrian s Wall forts etc have been managed as separate entities by different State and private organisations These and other issues make it an extremely complex WHS to manage This book not only chronicles the past management of the Wall but also looks towards the future as more countries aspire to have their Roman frontiers added to the FRE The experience gained over the last two decades illustrates developments in the management of large scale complex heritage sites that will be of value as a detailed case study to those involved in and affected by heritage management as well as academics and students Many of the issues raised will find resonance in those faced by many other large World heritage sites **The Rough Guide to the Lake District** Jules

recruits from the empire's occupied territories and for them the frontier could be a place of fear and magic where supernatural protection was invoked during spells of guard duty Since antiquity the Wall has been exploited by powers craving the legitimacy that came with being accepted as the heirs of Rome it helped forge notions of English and Scottish nationhood and even provided a model of selfless cultural collaboration when the British Empire needed reassurance It has also inspired creatives for centuries appearing in a more or less recognisable guise in works ranging from Rudyard Kipling's Puck of Pook's Hill to George R R Martin's A Game of Thrones Combining an archaeological analysis of the monument itself and an examination of its rich legacy and contemporary relevance this volume presents a reliable modern perspective on the Wall

**See You In Kirk Yetholm** Andrew Bowden, 2015-04-20 The Pennine Way The grandfather of walking trails in the UK For over 60 years walkers have been drawn to its journey across wild and empty moorland murky bogs cloud covered summits and endless rain Yet somehow it has a hypnotic charm that persuades people to walk it even if they never intended to do so People like Andrew Bowden Despite having absolutely no intent at all of walking the whole thing somehow a two day jaunt in the Yorkshire Dales became an epic journey over several years The Pennine Way grabbed him by the lapels or should that be the Gore Tex jacket and made the convincing case for walking between Edale and Kirk Yetholm Somehow And despite regularly being soaked to the bone in heavy rain almost losing boots in sticky mud getting stuck in a bog and on one memorable occasion being snowed in in a remote village in Northumberland somehow he kept going got to the end and lived to tell the tale See You in Kirk Yetholm is that tale The tale of a walk that did its uttermost to put him off but never succeeded

*Discovering the Dales Way* Keith Pauling, 2010-10-11 The Dales Way passes through some of the most beautiful scenery in England The footpath is 84 miles in length and runs from Ilkley to Bowness on Windermere Starting on the banks of the River Wharfe it follows the river upstream climbs over the top of the watershed of the Pennines and then winds steadily down the other side passing through the delightful undulating countryside of where we once used to call Westmorland before finally arriving at the shore of England's largest expanse of inland water Along the way I will be exploring the places that I visit and delving into the histories of the people who have made their contributions to life in the area throughout the ages Join me on my journey and discover our rich heritage
