**The Business Manager's Guide To Getting The Best From Your Team** Richard Parkes

Cordock, If you are a manager in business and you lead a team of people you're immediately under pressure to deliver results. Whether you lead a small team of five or an entire department of 100 or more, the buck stops with you when it comes to results. Good or bad, you are judged on the results you deliver and goals you achieve. But in reality, it's not just you who delivers results; it's your entire team, and it's your job as a manager and leader to get the very best from your team each day. This is often easier said than done, and for many managers, improving team performance is a constant headache and source of frustration. Even managers of successful teams are under pressure to achieve more and are on the lookout for ways to give them the edge. In *The Business Manager's Guide To Getting The Best From Your Team*, you'll discover a new coaching-based approach which you can personally use to improve the performance of your team and the results it delivers. You'll be introduced to a proven step-by-step methodology which other managers worldwide are using right now to get the best from their teams and drive their business units forward. Whatever your industry, sector, team size, or level of experience as a manager, the ideas in this book will work for you.

**The Corporate Executive Guide To Getting The Best From Your Team** Richard Parkes Cordock, As a manager or executive in a large corporation, especially in Corporate America, do you ever feel frustrated that you are not getting the best from your team? Do you ever feel your team could achieve more, reach higher goals, deliver greater results if only you could get the people you lead to perform at a higher level? Perhaps you've been thinking about getting some help to develop your team, possibly embarking on a team-building day, working with a coach, or even going on a leadership course yourself. You just want to do something to raise the performance of the people under your charge. In a large corporate that should be easy for you to make happen, right? You have access to endless training and development resources and a dedicated HR and training department. Well, not always. Sometimes companies are just so big, the hoops to jump through are too complex, and it just becomes too difficult for individual managers to seek help the official way. Thousands of managers and executives around the world who work in large national or multinational corporations share these same frustrations. They know they need help to develop their teams but find it too difficult to access the right internal resources. That's why business professionals like you who lead teams of five, ten, 50 people or more are seeking alternatives to tightly controlled, hard-to-access internal resources. Enter *Enterprise LEADER*, a low-cost and easy-to-use team development program which corporate managers and executives use to develop their own teams, drive change, and improve performance and business results. In this short guide, you'll learn more about *Enterprise LEADER* and find out how you can take ownership of the development of your team today and start achieving the results you know your team is capable of. You'll discover the tools and methodologies corporate managers around the world are using right now to get their teams tuned in to their business, performing at a higher level and achieving greater results than they ever thought possible. Download *The Corporate Executive Guide To Getting The Best From Your Team* today.
