cursed with a boy's name Kevin Vi Connelly is seriously female and a committed romantic The affliction hit at the tender age of six when she was handed a basket of flower petals and ensnared by the marry tale The thrill the attention the big white dress it's the Best Day of Your Life and it's seriously addictive But at twenty seven with a closetful of pricey bridesmaid dresses she'll never wear again a trunkful of embarrassing memories and an empty bank account from paying for it all the illusion of matrimony as the Answer to Everything begins to fray As her friends choices don't provide answers and her family confuses her more Vi faces off against her eminently untrustworthy boyfriend and the veracity of the BDOYL Eleven weddings in eighteen months would send any sane woman either over the edge or scurrying for the altar But as reality separates from illusion Vi learns that letting go of someone else's story to write your own may be harder than buying the myth but just might help her make the right choices for herself How to Succeed in the Arts...Or in Anything. Buchanan, William Martin Smith, 1959 Intended literally as a text book that is a book which offers texts as points of departure for exploring concepts and principles Dating, Mating, and Marriage Martin King Whyte, 1990 This book examines the American system of dating mate choice and marriage It analyzes a wide range of established ideas about how dating and mate choice are changing and identifies changes and continuities in premarital experiences in twentieth century America A variety of ideas about what sorts of dating and premarital experiences will make for a successful marriage are tested and for the most part disproven raising serious doubts about our fundamental assumption that dating experience helps individuals make a wise choice for a future mate Marital success turns out to depend not so much on premarital experiences or on the social background characteristics of couples such as race religion and social class as on the way in which couples structure their day to day marital life together Through its detailed examination of a wide range of ideas and predictions about dating mating and marriage and through its dramatic findings Dating Mating and Marriage challenges many previous assumptions and conclusions about the fate of American marriage and elevates our knowledge of the American system of mate choice to a higher level Dating, Mating and Marriage Today: a Documentary-case Approach, by Jessie Bernard, Helen E.
