Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God's people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You'll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher's guild **Ascension Theology and Habakkuk** Neal D. Rich Christians in an Age of Hunger Ronald J. Sider, 2015-07-28 In an age obsessed with wealth Christians seem to have forgotten that scripture encourages believers to give to the poor Why do 1.3 billion people live in abject poverty And what should Christians do about it Despite a dramatic reduction in world hunger 34,000 children still die daily of starvation and preventable disease and 1.3 billion people around the world remain in abject poverty Dr Ron Sider a professor of theology examines the issues of poverty and hunger in modern society While the Bible is full of instructions to care for the poor and warns against being seduced by riches it's been statistically proven that the richer countries become the less they give Finding that conservatives blame what they consider to be morally reprehensible individual choices and liberals blame what they believe to be constrictive social and economic policy Dr Sider finds himself agreeing with both sides First published in 1978 Rich Christians in an Age of Hunger has had an enormous impact on how believers and churches view questions of poverty and hunger Dr Sider's insights provide a compelling look at what it truly means to follow Christ This edition of Rich Christians in an Age of Hunger is Newly revised expanded and updated Listed as one of the 100 most influential books in religion in the 20th century A resource for Christians seeking to overcome poverty and change the economic structures of our world In this fresh look at an age old problem Dr Sider offers a detailed explanation of the causes of poverty and hunger as well as a comprehensive series of practical solutions for Christians who want to seriously pursue their faith and become better followers of Jesus

**Narrative, Calling, and Missional Identity in 1 Peter** David Shaw, 2023-11-13 A story well told and subsequently imbibed by its recipients has the power to shape one's beliefs, identity and way of life. So what happens when a person or community is swept up in such a story? In this study, Shaw draws upon the dual methodologies of Narrative Transportation and Social Identity theories to consider how 1 Peter's use of Old Testament narratives and language serves to transport its recipients into an identity defined as elect sojourners. Amidst suffering, 1 Peter calls the Anatolian believers to a priestly ministry, blessing their antagonists as they await their eternal glory in Christ.

**Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada** Steven M. Studebaker, 2019-11-07 Over the past forty years, Canada has become an increasingly secular, multicultural and religiously plural society. Indeed, the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit. Like the disciples on the day of Pentecost, however, we need the Holy Spirit to come upon us and liberate us from our post-Christian pessimism. We need the Holy Spirit to enable us to proclaim the gospel to the nations' people that are no longer at the ends of the earth but making their home in Canada. This book engages this new context and considers and proposes ways that Pentecostal Christians and churches can respond to the challenges of the increasingly post-Christian, multicultural, secular and religiously plural context of Canadian society.

*Creating a Missional Culture* JR Woodward, 2013-09-20 Missiologist and church planter JR Woodward offers a blueprint for the missional church, not small adjustments around the periphery of the infrastructure but a radical revisioning of how a church ought to look that entails changing how we think about leadership and what we expect out of discipleship.
