Over In The Forest Come And Take A Peek:

Over in the Forest Marianne Berkes, 2012-03-01 Learning becomes fun for kids with this counting book about the forest habitat. Amazing artwork will inspire children in classrooms and at home to appreciate the world around us. Follow the tracks of ten woodland animals but uh oh watch out for the skunk. Children learn the ways of forest animals to the rhythm of *Over in the Meadow* as they leap like a squirrel, dunk like a raccoon and pounce like a fox. They will also count the babies and search for ten hidden forest animals. Cut paper illustrations add to the fun in this delightful introduction to a woodland habitat. Once again Marianne Berkes makes learning fun. Kids will hide, graze and pounce as they imitate and count the animals. Like *Over in Australia* the cut paper illustrations will inspire many an art project. Plus Marianne provides tons of ideas for activities and curriculum extensions about forest animals, literature and writing. Teachers and parents as well as kids are the winners with these books. Backmatter includes further information about the forest and the animals in the book. Music and song lyrics to *Over in the Forest* sung to the tune *Over in the Meadow*. **Over in the Forest** Marianne Collins Berkes, 2012 A counting book in rhyme presents various forest animals and their offspring from a mother beaver and her little kit one to a father red fox and his little kits ten. Includes related facts and activities. *Crash Course in Storytime Fundamentals* Penny Peck, 2015-01-26 This manual is a one stop shop on how to present storytimes to suit different audiences including bilingual learners, special needs children and those in a variety of settings such as Head Start preschools and day care situations. This beginner's guide to storytelling traces the developmental stages of very young children illustrating how to present storytime for babies, toddlers and preschoolers as well as in family settings to be most effective. Author Penny Peck will teach you the fundamentals of reading with the intent of capturing children's imaginations showing you how to incorporate music, play and hands on activities into your routine. She offers expert advice on how to choose the best picture books and provides lists of books for addressing particular literacy needs. A perfect primer for those new to the task this guide illustrates how to make this activity a favorite of children and provides tips for progressing in the role of storyteller with ideas for engaging your audience and enhancing enjoyment. Beginning with the basics of performing a library storytime each subsequent chapter builds on that knowledge offering ways to infuse technology, special needs adaptations and music into the story. The revised edition addresses such current topics as iPads, apps, usage, online options and dance programs. **A to Zoo** Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze.
