Schön,2015-11-28 Bruce Dickinson best known as the lead vocalist of Iron Maiden seems to have unbounded energy ideas and imagination He mesmerises thousands of fans with his integrity vitality and wit Wouldn't it be great to know what makes him tick Those who know Bruce Dickinson know this man doesn't do things by halves Thus he was voted a living example of a polymath by Intelligent Life magazine in 2009 Bruce has been recognised as a singer a TV presenter a record producer a pilot and a fencer Therefore it should be no surprise that his lyrics also stand out His subject matters are challenging he reflects on life and death freedom and destiny man and God sex and religion Asked about the complexity of his lyrics Bruce said in an interview I ask myself does it rock And if it does who gives a s t what s it s about All information s there if people choose to dig for it The treasures you can find are absolutely worth the digging Bruce also added And if they don't then it doesn't matter so long as they enjoy it Bruce Dickinson is an undisputed master of heavy metal his voice and music are a natural force The subjects are extremely interesting and Bruce succeeds in artfully getting to the heart of them This is why this book is dedicated to Bruce as a songwriter as a poet of lyrics some of which represent little masterpieces even without music They point beyond themselves by means of powerful imagery Their ambiguity holds some surprises The best way to get to know the real Bruce Dickinson probably is to have a beer with him But he admitted that through his lyrics you can certainly maybe get an idea of what is going on with myself and that's why all fans of Bruce and Iron Maiden should read this book **The Vice of Kings** Jasun Horsley,2019-01-22 In today's post truth world we are becoming inundated with fantasy fictions alternate news and grossly oversimplified and wildly exaggerated conspiracy theories that identify

cryptocratic power structures ruling our fates But suppose the truth is both stranger than any fiction and more nuanced and disturbing than any theory Suppose it is not conspiracy but complicity that creates our world Beginning as an investigation into the author's childhood inside a closet aristocracy of progressive British entrepreneurs *The Vice of Kings* uncovers a history both disturbingly personal and shockingly universal By juxtaposing disc jockey Jimmy Savile's secret cultural criminal and political affiliations in the second half of the 20th century with the life and teachings of Aleister Crowley in the first it uncovers an alarming body of evidence that organized child abuse is not only the dark side of occultism but the shadowy secret at the heart of culture both ancient and modern
