La perfecta salud Deepak Chopra, 1997-12 Witchcraft in Early North America investigates European, African, and Indian witchcraft beliefs and their expression in colonial America. Alison Games's engaging book takes us beyond the infamous outbreak at Salem, Massachusetts to look at how witchcraft was a central feature of colonial societies in North America. Her substantial and lively introduction orients readers to the subject and to the rich selection of documents that follows. The documents begin with first encounters between European missionaries and Native Americans in New France and New Mexico and they conclude with witch hunts among Native Americans in the years of the early American republic. The documents, some of which have never been published previously, include excerpts from trials in Virginia, New Mexico, and Massachusetts; accounts of outbreaks in Salem, Abiquiú, New Mexico; and among the Delaware Indians; descriptions of possession; legal codes and allegations of poisoning by slaves. The documents raise issues central to legal, cultural, social, religious, and gender history. This fascinating topic and the book's broad geographic and chronological coverage make this book ideally suited for readers interested in new approaches to colonial history and the history of witchcraft.

Perfect Health--Revised and Updated Deepak Chopra, M.D., 2001-02-20 NATIONAL BESTSELLER The classic guide to using Ayurveda to harness the healing power of the mind, now revised with updated medical research. Translated as the knowledge of life span in Sanskrit, Ayurveda is the 5,000-year-old medical system from ancient India that has been validated by modern breakthroughs in physics and medicine. Deepak Chopra's Perfect Health is the original guide to applying the ancient wisdom of Ayurveda to everyday life. Although we experience our bodies as solid, they are in fact more like fires that are constantly being consumed and renewed. We grow new stomach linings every five days; for instance, our skin is new every five weeks. Each year, fully 98 percent of the total number of atoms in our bodies is replaced. Ayurveda gives us the tools to intervene at this quantum level where we are being created anew each day. Ayurveda tells us that freedom from sickness depends on contacting our own awareness, bringing it into balance, and then extending that balance to the body. Perfect Health provides a complete step-by-step program of mind-body medicine tailored to individual needs. A quiz identifies the reader's mind-body type: thin, restless, Vata; enterprising, efficient, Pitta; tranquil, steady, Kapha; or any combination of these.

three This body type becomes the basis for a specific Ayurvedic program of diet stress reduction neuromuscular integration exercise and daily routines The result is a total plan tailor made for each individual to reestablish the body s essential balance with nature to strengthen the mind body connection and to use the power of quantum healing to transcend the ordinary limitations of disease and aging in short for achieving Perfect Health Vencer las adicciones (Colección Salud Perfecta) Deepak Chopra,2015-01-16 El equilibrio mente cuerpo en un programa para liberarnos de las dependencias destructivas La creciente dependencia de sustancias que alteran el estado de nimo es uno de los males m s alarmantes de nuestro tiempo Desarrollamos adicciones de todo tipo a la comida a las compras al alcohol al caf al tabaco a las medicinas a las drogas e incluso al trabajo En esta gu a el doctor Chopra especialista en medicina ayurv dica de fama mundial nos ofrece una perspectiva diferente de las adicciones y un programa para eliminarlas Sus sabios consejos nos ayudan a comprender nuestras necesidades y a conocer la fuerza de nuestro esp ritu para liberarnos de cualquier tipo de dependencia destructiva as como a descubrir nuevas y m s satisfactorias opciones de vida Peso perfecto (Colección Salud Perfecta) Deepak Chopra,2015-01-16 sta es una obra clave para alcanzar la soluci n a uno de los principales problemas de salud de la sociedad actual Este libro completa la serie Salud Perfecta cuyos otros t tulos son Sanar el coraz n Energ a sin l mites Sue o reparador Vencer las adicciones y Digesti n perfecta Deepak Chopra nos presenta un programa de sencillas estrategias naturales para equilibrar nuestra mente y nuestro cuerpo y obtener el peso ideal Peso perfecto incluye un cuestionario espec fico basado en la tradicional ciencia del Ayurveda Una vez completado el cuestionario y despu s de familiarizarse con las descripciones que el Ayurveda hace del cuerpo y sus variaciones accedemos a cinco mil a os de sabidur a **Sueño reparador (Colección Salud Perfecta)** Deepak Chopra,2015-01-16 El equilibrio mente cuerpo en un programa para vencer el insomnio y otros trastornos del sue o Todos sabemos que dormir bien es esencial para nuestra salud pero a menudo desconocemos hasta qu punto dormir mal afecta negativamente nuestra vida Bas ndose en investigaciones m dicas occidentales y en antiguos principios de la medicina ayurv dica Deepak Chopra nos ofrece un programa dividido en dos niveles En primer lugar explica las t cnicas para vencer el insomnio y alcanzar la sinton a adecuada con los ritmos c clicos m s profundos de la naturaleza humana En segundo lugar nos propone nuevos caminos para controlar las causas m s arraigadas delos trastornos del sue o Esta es una gu a completa y efectiva para quienes tienen dificultades en lograr un descanso que les permita alcanzar el m ximo rendimiento en todos los aspectos de la vida *Digesti n perfecta (Colección Salud Perfecta)* Deepak Chopra,2015-01-16 El equilibrio mente cuerpo en un programa para evitar y solucionar los trastornos digestivos Salud Perfecta la serie de Deepak Chopra para coleccionar y para sentirte bien contigo mismo El tratamiento que Deepak Chopra hace del cuerpo y de la mente como un sistema unificado ha inspirado y ayudado a millones de lectores En esta ocasi n ofrece un plan especialmente elaborado para solucionar los trastornos gastrointestinales m s frecuentes como la digesti n dif cil el s ndrome de irritaci n intestinal el estre imiento y la diarrea Aborda tambi n temas como la dieta y el arte de elegir los
