On Marilyn Monroe Richard Barrios, 2023 She was born nearly a century ago and has been gone for well over half that time The body of work she left behind is of limited size and in some cases debatable quality. The environment in which she thrived popular entertainment in the 1950s is a distant memory if that Those are indisputable facts. Why is it then that they seem so immaterial. How is it that the phenomenon continues unabated that the iconography and mythology only seem to increase. Why all the interest and speculation and merchandising and why all the documentaries and miniseries about her. Plus to cut a little closer all those shelves of books. With Marilyn Monroe there is never one single answer. To start with one of the most obvious some of it has to do with the element of tragedy the special kind that crashes in when a life of magnetic achievement and renown is cut short with miserable suddenness Alexander the Great Joan of Arc Byron and Keats Valentino Hank Williams James Dean the Kennedys Malcolm X Dr King Joplin and Hendrix and Morrison Elvis Princess Diana Michael

Jackson How natural to mourn how easy to speculate on what could have been Monroe offers unusually ripe territory for this with her blatant rapid fire explosion into the world's consciousness the tumult and visibility of her private and professional paths and the sharply cut off way she died overlaid with just enough ambiguity to cause some people to wonder about the circumstances From there eventually and alas to an unseemly franchise based on conjecture about that death with most of the ruminations drenched in paranoia and personal agendas Marilyn Monroe & Joe DiMaggio - Love In Japan, Korea & Beyond Jennifer Jean Miller, 2014-02-14 The story of Marilyn Monroe and Joe DiMaggio is a timeless tale Both of these legends had extraordinary careers in their individual fields as well as remarkable existences This book chronicles each of their lives from the days before they met until that magical night in 1952 when their paths finally crossed Their lives would never be the same after that Though their marriage lasted for nine months their love endured beyond those years and Joe's heart yearned for no one else even at his deathbed thirty seven years after her untimely passing This account shares of their love and focuses on their marriage in 1954 and their trip to Japan and her trip to Korea during the nearly one month time span that the couple was in the Far East together A segment of the author's collection of rare and unpublished photographs of both stars are featured within this Google edition some never before seen since they were taken approximately sixty years ago in Japan and Korea Due to file size constraints with file delivery via Google that inhibits image quality the print version of the book has the expanded selection of photos from the author's collection as well as memorabilia from both of the stars This book weaves in elements about baseball entertainment the military the tragedies of stardom and above all the love Marilyn and Joe shared The story told here unveils other characters in the casts of both of their lives including interviews with family members of Marilyn Monroe headed by Marilyn's second cousin Jason Edward Kennedy This book begins to also debunk the myths and propaganda about the life and death of Marilyn Monroe Additionally controversy within Joe's final days is also explored Marilyn Monroe Joe DiMaggio Love In Japan Korea Beyond is the first book in the series endorsed by MarilynMonroeFamily com the website run by the relatives of William Marion Hogan Marilyn Monroe s great uncle
