*Operational Risk Assessment* Brendon Young,Rodney Coleman,2010-12-03 Operational risk assessment The Commercial Imperative of a More Forensic and Transparent Approach Brendon Young and Rodney Coleman Brendon Young and Rodney Coleman s book is extremely timely There has never been a greater need for the financial industry to reassess the way it looks at risk They are right to draw attention to the current widespread practices of risk management which have allowed risk to become underpriced across the entire industry Rt Hon John McFall MP Chairman House of Commons Treasury Committee Failure of the financial services sector to properly understand risk was clearly
