Refugees and the Media Nasir Uddin, Delaware Arif, 2024-07-17 Media and refugees rhetorically live together and practically complement each other Yet it involves plenty of hidden political agendas and ethical issues in the representation of refugees in media This collection raises questions Should the media stand by refugees or maintain deliberate neutrality Should the media dehumanize the refugees further in their humanitarian conditions Are the media entitled to publish photographs of refugees without informed consent Should the media stand by the state being responsible for generating refugee crisis or should the state be accountable for rendering its people refugees
