## INTRODUCTION

The information in this Manual describes the operation, adjustments and maintenance of your New Tractor in both one speed "on-the-go" and two speed models equipped in your Tractor and in other models of your line. The New Tractor is built to last. It is built to give you the best of both worlds. It is built to give you the best of both worlds. It is built to give you the best of both worlds. It is built to give you the best of both worlds.

Let's get started. The information that is most important.

A machine which is properly maintained gives a longer service life and should be expected. The maintenance and servicing described in this Manual can all be done with tools commonly available.

Always Observe the instructions and safety rules. Observe them under all kinds of conditions to produce a superior machine. They have been it so simple to practice, so you can do them easily and give. This Manual will help you, the operator, get the most out of your New Tractor.

The references to left-hand and right-hand view throughout the Manual refers to the position you would be in the operator's seat, facing forward.
