Eating More Asian America Robert Ji-Song Ku,Martin F. Manalansan,Anita Mannur,2025-04-08 The diversity of Asian American food culture Asian American inspired foods are everywhere or so it seems A decade ago chop suey sushi curry adobo and kimchi were emblematic of Asian American culinary influence Today boba ube bibingka ph matcha gochujang and m l have joined the roster of foods strongly associated with Asian Americans These foods were once considered exotic but now are embraced by mainstream culture Food studies continues to be an appetizing area of Asian American studies Eating

More Asian America is a follow up to the influential Eating Asian America and it provides a rich illustration of the intersection of Asian America and its various foodways The book posits that food is never simply sustenance the comestible material that provides fuel for our bodies Rather food is a way of knowing a way of being and a way of understanding The essays in Eating More Asian America convey the intellectual richness of various foodways as they intersect with and inform the racial and political construct known as Asian America The twenty one essays in this volume reflect the diversity of Asian America itself as well as the subfield of food studies The volume not only offers coverage in terms of topics and types of ethnic food it also provides a rich and impressive array of methodological approaches A veritable feast for the senses Eating More Asian America explores the myriad ways critical eating studies has developed over the past decade *Pocket Rough Guide Hong Kong & Macau* Rough Guides,2014-02-03 The Pocket Guide to Hong Kong and Macau celebrates the sheer energy of these two former European colonies sitting just 60km apart on the south China coast It includes the lowdown on the incredible shopping opportunities and cutting edge architecture of Hong Kong s downtown its parks and harbourside cityscapes all existing alongside more traditional temples and street markets Further afield are the under appreciated beaches rural landscapes and old walled villages of the New Territories easy to reach in even a short visit but often overlooked Across the Pearl River and close enough for day trips Macau s eighteenth century churches and lanes incongruously rub shoulders with ludicrously ostentatious casinos This full colour guide features inspirational photography and detailed reliable maps that show you the best of the city There are up to the minute reviews of the region s incredible dining and entertainment opportunities too from indigenous Macanese cuisine and the best places to greet the day with a traditional dim sum breakfast to Lan Kwai Fong s bars and old colonial hotels where you can have afternoon tea The Pocket Rough Guide Hong Kong and Macau is the perfect companion for a city break Now available in ePub format Newspaper Reference Methods Robert William Desmond,1933 Newspaper Reference Methods was first published in 1933 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **Dishing It Out** Robert Appelbaum,2023-08-01 From the hamburger haven to the temple of gastronomy the restaurant is a fixture of modern life But why is that so What needs has the restaurant come to satisfy and what needs has it come to impose upon the experience of the modern world In Dishing It Out Robert Appelbaum travels around America and Europe and through the annals of literature and history to explore the social meaning of the restaurant and to discover what we ought to be asking of the restaurant experience today Since its founding in pre Revolutionary France the restaurant has always inspired contradictory feelings and served contradictory purposes It has stood for a kind of liberation the embrace of pleasure and sociability for their own sake But it has also encouraged narcissistic consumerism at the cost of the exploitation of restaurant workers and the self deception of restaurant goers Drawing on the work of such writers as Grimod de la Reyni re Jean Paul Sartre Isak Dinesen and M F K Fisher and sampling fare from macaroni cheese in

workaday London to oysters and sausages in seaside France Appelbaum argues that though restaurants are inherently problematic as social institutions they are characteristic of who and what we are They are expressions of what we need as human beings And for that reason though they contribute to inequality they can also be used to promote the interests of cultural democracy A unique rethinking of the restaurant experience at once entertaining and learned Dishing it Out is an important contribution to our knowledge of food literature history and society
