Michelle Obama ,2009 **The Engineering of Racism** Samuel Belsham Moki, PhD,2020-10-30 Racism and white supremacy have survived in the United States for a very long time because from the onset it was based on sound engineering The book contends that racism is not a belief practice or ideology that flared up by accident or through the spur of the moment Rather it followed sound engineering stages like planning design and construction Racism was designed to serve a domineering purpose for white people and therefore there was a lot of planning that eventually led to its design and construction Because the architects had a vision of its permanency they chose the most durable materials for its construction Metaphorically they used mortar bricks and steel beams These durable materials among others include religion science government including the Supreme Court the constitution and laws brutality and social media As the centuries rolled by succeeding architects of this design and construction have done a superb job in maintenance and modifications to elude stumbling blocks Based on the times and prevailing winds the racism construct has undergone mutations to evade capture and destruction even to this day Like a car the engineering and engineers have evolved the models and make are changing but the underlying engineering remains intact Today the overt brash and brutal racism has generally ceded to an equally destructive calculated politically correct less pompous highly sophisticated and veiled racism The book dissects this durable foundational construct and proffers recommendations that will systematically minimize its intensity *Mrs. O Mary*

Tomer,2009-10-28 Celebrated for her style and substance Michelle Obama has transformed the role of first lady and become a 21st century icon attracting attention from all over the world The qualities so admired in her intelligence strength and charisma radiate through her personal style which has united accessibility with high wattage glamour The clothes like the woman feel both familiar and inspirational Readily mixing high end labels with more affordable brands with a focus on craftsmanship and artistry Mrs O has elevated the notion of real value and ushered in a new era of fashion democracy Building on the success of Mrs O org the Web site that chronicles Michelle Obama s style Mrs O The Face of Fashion Democracy takes a closer look at America s modern style icon featuring more than 120 photographs of the first lady and delving into the back story of her clothes and accessories It also goes behind the scenes with interviews from her favorite designers including Isabel Toledo Jason Wu Michael Kors Maria Pinto and Isaac Mizrahi Opening with a brief overview of Michelle Obama s early years the book goes on to provide rarely seen photos from behind the scenes on the presidential primary trail through the 2008 Democratic National Convention the monumental events of election night the inauguration and early chapters of life in the White House The final chapter hears the opinions of Mrs O s adoring fans giving the last word to the people Original photographs of Michelle Obama s most iconic looks along with commentary from fashion experts top off this tactile visual feast Woven together with sketches and illustration inspired by the first lady the book reveals the story of a new era of American fashion

**Western Perspectives On The People's Republic Of China: Politics, Economy And Society** Colin Mackerras,2015-03-05 How have Westerners seen the People s Republic of China over the years The question raises many important issues which this book aims to present analyze and explain The basic conclusion is that Western perspectives are somewhat more complex than simply viewing China s realities Involved also are politics and power relations trends in journalism and scholarship as well as individual and group personalities and psychologies Based on extensive personal experiences in China dating back to 1964 and wide ranging travel in Tibet and ethnic regions since the 1980s the author attempts to distinguish trends in different Western countries However most of the material will concern the United States which has been the dominant contributor to Western perspectives during the whole period of concern to this book The perspectives are taken up by topic including politics economy society and ethnic minorities Inherent in each topic is the way cultures see and react towards each other Images and perspectives can affect policy and have done so many times in the past which adds to the importance of this book It also takes up questions of the sources of Western perspectives both in terms of direct sources such as newspapers television or the internet and deeper ones such as social values and temperament
