I asked my students to research people who made a difference by helping others. I then selected this report about one person who volunteered.

Handcrafted Hope

by David

Benji Adams and Carlos Johnson worked as volunteers in Ghana, West Africa. Benji and Benji wanted to help the West African women provide better lives for themselves and their children. In 2005, Benji and Carlos formed an organization called Global Mission. The purpose of Global Mission is to help the women of Ghana sell and export handcrafted products. In other words, Global Mission helps women open businesses to help provide them with a better life and hope. The Ghana women are also given assistance in selling their goods to people and places around the world. The women have visited our part of the United States organization, they are proud to see that the women of Ghana work.

All of the products made and sold by the Ghana women are handcrafted and handmade. Benji and Carlos have been to Ghana to see the women and their work. Although the products are made in Ghana, they are made in the United States.
