groups this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while sharing signs of God's love with others. The Leader Guide contains comprehensive and detailed direction for the group leader to use in each 90 minute group experience. Direction is provided for each component of the group meeting with options that allow leaders to adapt to the group's unique characteristics. Components of the group meeting experience include Gathering Together, Opening questions designed to prompt conversation that connects to the main theme of the episode, Reflecting Together, Sharing what participants learned from the week's scripture readings with questions that tie their discoveries into a central theme, Video Segment, Playing of the video for the current episode, Discovering Together, Building on the insights of the biblical scholar analyzing a single passage from the week's readings going deeper into the way they explore the Bible's meaning, Centering Together, Engaging in meditation which is a devotional way to read the Bible, Serving Together, Reading together the Signs of Faithful Love provided.

Business Guide for Strategic Management Alfred-Joachim Hermann, 2023-07-26 This book follows the credo Don't work hard, work smart. Smart in the sense of cleverness, systematic organization of work and time as well as farsightedness to open up business perspectives. In alphabetical order the book presents the success factors, methods and strategies that help strengthen market positions and realign strategies. The clear chapters are also very suitable for reference. The book is aimed at managers, executives and self-employed people who want to use their most valuable resources sustainably and consciously to develop products and services that customers really want. Over 100 national and international case studies provide a high utility value. For the 2nd edition, numerous text passages have been revised, new case studies have been integrated and up to date data material has been made accessible. With valuable practical tips at the end of each chapter. The electronic usage of the German language edition of the book has so far led to more than 1.6 million accesses.

Advanced Public Speaking Dr. Ruth Livingston, 2015-01-23 The text provides instruction on how to give different types of presentations and how to improve upon other communication skills including listening. Topics include harnessing the fear of public speaking, applying immediacy, storytelling, motivating others, listening actively, interviewing successfully, lecturing and conducting workshops effectively, speaking off the cuff, selling yourself and your business and presenting for special occasions. Aristotle's Canons of Rhetoric are also discussed as a foundation to organizing and delivering dynamic presentations. The book is ideal as a text for an Advanced Public Speaking course.
