Odd Man Out An Autobiography True Stories Of A Gay Black Swimmer:

Odd Man Out Jeff Commings, 2010-05-10 In the first book to tell the true story of a gay African American swimmer Jeff Commings writes about his teenage years and most of his 20s when he was afraid to live openly as a gay man among friends and family Though he was a member of several USA Swimming national teams and competed in two Olympic Trials his fear of rejection from those he loved and respected severely affected his life socially and athletically Commings was the first African American to win a gold medal in swimming at the Olympic Festival and was the first African American swimmer to compete at the Pan American Games but he went through his swimming career feeling like he was just like everyone else except when it came to his sexuality

Black Passports Stephanie Y. Evans, 2014-05-15 A resource guide that uses African American memoir to address a variety of issues related to mentoring and curriculum development In this resource guide for fostering youth empowerment Stephanie Y Evans offers creative commentary on two hundred autobiographies that contain African American travel memoirs of places around the world The narratives are by such well known figures as Frederick Douglass W E B Du Bois Billie Holiday Maya Angelou Malcolm X James Baldwin Muhammad Ali Richard Pryor Angela Davis Condoleezza Rice and President Barack Obama as well as by many lesser known travelers The book addresses a variety of issues related to mentoring and curriculum development It serves as a tool for literary mentoring where students of all ages can gain knowledge and wisdom from texts in the same way achieved by one on one mentoring and it also provides ideas for incorporating these memoirs into lessons on history geography vocabulary and writing Focusing on four main mentoring themes life school work and cultural exchange Evans encourages readers to comb the texts for models of how to manage attitudes behaviors and choices in order to be successful in transnational settings This book provides a new and refreshing way to think about Black youth and issues of empowerment It will be a useful tool for teachers parents scholars and community organizers leaders and activists Valerie Grim Indiana University Bloomington

Odd Man Out Jeff Commings, 2010 In the first book to tell the true story of a gay African American swimmer Jeff Commings writes about his teenage years and most of his 20s when he was afraid to live openly as a gay man among friends and family Though he was a member of several USA Swimming national teams and competed in two Olympic Trials his fear of rejection from those he loved and respected severely affected his life socially and athletically Commings was the first African American to win a gold medal in swimming at the Olympic Festival and was the first African American swimmer to compete at the Pan American Games but he went through his swimming career feeling like he was just like everyone else except when it came to his sexuality Amazon

Odd Man Out Joseph Murray, 2015-01-15 Ever wonder what it is like to be a longtime member of the Christian Right and a married gay man Ever believe that such a combo would make Ozzie Harriet look like Oscar Felix Joe Murray was a longtime cadet of the Christian Right and spent the early years of his life building a resume that might make Goldwater envious He served as a member of Pat Buchanan s Presidential campaign staff in 1999 and was appointed to the

Alliance Defending Freedom's prestigious Blackstone Fellowship for budding Christian attorneys in 2000. He spent a number of years working on the front lines of the Culture War as a Staff Attorney for the American Family Association. He worked with the Pennsylvania Pastors Network and was a columnist for the conservative Philadelphia Bulletin. Murray, a Conservative Catholic, also happens to be gay. In his new book *Odd Man Out*, Murray tackles the misconception that one's identity should predetermine one's politics. Murray's background has provided an excellent opportunity for a frank discussion on a number of social policy issues that are presently dividing the nation. Building upon his experiences working deep inside the Christian Right, Murray discusses how public interest politics has led to a perverse politics in which profit overtakes principle. He shines a light on some of the not-so-Christian events he witnessed while working for the Christian Right and he talks about some of the rivalries that existed and continue to exist on the Right. Murray uses his personal story to take the reader behind the scenes of Christian and gay politics and in doing so offers new insights on how to frame the controversial discussion. Though a piece of political nonfiction, Murray's new book is also intimately personal. Murray shares a number of stories that have molded his life and shaped how he sees the world. He opens the door for readers to see how a Catholic Libertarian-leaning Irish American gay attorney is able to fully operate in society despite the political perception that he is an ideological inconsistency. Murray uses his personal experiences to argue that people should use their identity to expand their ideas, not limit them.
