## Off The Rails Excerpts From My Life:

**Discourses of Men's Suicide Notes** Dariusz Galasinski, 2017-10-19 Deaths by suicide are high every 40 seconds someone in the world chooses to end their life Despite acknowledgement that suicide notes are social texts there has been no book which analyzes suicide notes as discursive texts and no attempt at a qualitative discourse analysis of them *Discourses of Men's Suicide Notes* redresses this gap in the literature Focussing on men and masculinity and anchored in qualitative discourse analysis Dariusz Galasinski responds to the need for a more thorough understanding of suicidal behaviour Culturally men have been posited to be masters of the universe and yet some choose to end their lives This book takes a qualitative approach to data gathered from the Polish Corpus of Suicide Notes a unique repository of over 600 suicide notes to explore discourse from and about men at the most traumatic juncture of their lives Discussing how men construct suicide notes and the ways in which they position their relationships and identities within them *Discourses of Men's Suicide Notes* seeks to understand what these notes mean and what significance and power they are invested with *Off the Rails* Steven C. Smith, 2013-10-27 Growing up in rural Northern California in the 1960s and 70s led me on many great adventures and some perilous experiences many of my own making After reviewing some of these experiences I realized just how close I came to death on many occasions Childhood and teenage pranks led me to far more risky behaviors in my adult life Living the life of a drummer in both rock and country bands led me into even more risky behaviors including drug and alcohol abuse After hitting bottom with the help of my family I eventually overcame many obstacles and came to grips with my spiritual path I wrote this originally for my sons to help them understand why their father was nuts and for my grandchildren so they would have a family history to gain inspiration from *Passages From the Life of A Philosopher* Charles Babbage, 2020-07-27 Reproduction of the original *Passages From the Life of A Philosopher* by Charles Babbage *Off the Rails* Beppe Severgnini, 2019-02-12 In this witty and entertaining collection of travel tales an acclaimed journalist explores his obsession with trains and what his rail journeys have taught him about culture and identity I've gone around the world in installments Every trip has been a revelation I've watched regions nations and continents change moods and I've met more people on trains than in forty years of airplane flights Every train trip has been a spectacle Trains are stages cafés bazaars The only talk show that will never go off the air Beppe Severgnini has spent his life traveling the world and not just because he's a journalist he's a passionate unflagging train buff *Off the Rails* recounts some of his favorite trips across Europe Australia Asia and the United States each journey bringing readers not only to a different place but to a different time from his honeymoon on the Trans Siberian Express in a four person compartment to a winding journey from Russia to Turkey during the last summer of communism to a recent coast to coast trip with his son from Washington D C to Washington State *Off the Rails* is the perfect getaway for anyone with a touch of wanderlust who dreams of escape or just likes to laugh Filled with memorable characters and perceptive observations it demonstrates hilariously what unites us With the world in chaos

and life in perpetual fast forward it's always the right time to hop on board with Beppe Severgnini and meet your charming hapless quarrelsome romantic shifty quirky endearing neighbors *My Life* Sofia Andreevna Tolstaya, 2011-02-21 One hundred years after his death Leo Tolstoy continues to be regarded as one of the world's most accomplished writers Historically little attention has been paid to his wife Sofia Andreevna Tolstaya Acting in the capacity of literary assistant translator transcriber and editor she played an important role in the development of her husband's career Her memoirs which she titled *My Life* lay dormant for almost a century Now their first time ever appearance in Russia is complemented by an unabridged and annotated English translation Tolstaya's story takes us from her childhood through the early years of her marriage the writing of *War and Peace* and *Anna Karenina* and into the first year of the twentieth century She paints an intimate and honest portrait of her husband's character providing new details about his life to which she alone was privy She offers a better understanding of Tolstoy's character his qualities and failings as a husband and a father and forms a picture of the quintessential Tolstoyan character which underlies his fiction *My Life* also reveals that Tolstaya was an accomplished author in her own right as well as a translator amateur artist musician photographer and businesswoman a rarity in the largely male dominated world of the time She was actively involved in the relief efforts for the 1891-92 famine and the emigration of the Doukhobors in 1899 She was a prolific correspondent in touch with many prominent figures in Russian and Western society Guests in her home ranged from peasants to princes from anarchists to artists from composers to philosophers Her descriptions of these personalities read as a chronicle of the times affording a unique portrait of late 19th and early 20th century Russian society ranging from peasants to the Tsar himself *My Life* is the most important primary document about Tolstoy to be published in many years and a unique and intimate portrait of one of the greatest literary minds of all time The Modern Language Association MLA awarded the Lois Roth Award to John Woodsworth and Arkadi Klioutchanski of the University of Ottawa's Slavic Research Group for their translation of Sofia Andreevna Tolstaya's *My Life* memoirs *My Life* was selected among the top 100 non-fiction works of 2010 by The Globe and Mail It has also won an honourable mention in the Biography and Autobiography category of the 2010 American Publishers Awards for the Professional and Scholarly Excellence PROSE awards And finally it made it into the Association of American University Presses 2011 Book Jacket and Journal Show Published in English

**Passages from the Life of a Philosopher by Charles Babbage** Charles Babbage, 1864 **Getting Out - Excerpts From a Cat's Diary , Out of the Closet of My Mind** Janet Manne, 2014-02 This is the story of a man who grew up in the 50's and 60's got married fathered five children knowing all the while that he was really a woman It recounts the physical emotional and social struggles that she endured to remain true to herself to her family and to her faith as she became the woman she had always known herself to be **Waking Up: 8 Questions That Will Shift Your Life (Or Help You Do Nothing)** Vince Corsaro, 2019-08-04 While today he is a sought after facilitator and executive leadership coach Vince Corsaro found himself at 47 having lost everything important to him In

one year he went from being a married top senior leader on a national and worldwide stage to jobless single and lonely His journey of waking up and shifting to a consciously committed life forms the basis of these 8 questions that invite you to understand what is happening in your life identify the issues that might be holding you back and eventually craft a creative and fun way forward into the next step And you might decide to simply do nothing      Song of My Life Harry Mark Petrakis, 2014-11-20 With the discipline of a surgeon performing a critical operation acclaimed storyteller Harry Mark Petrakis strips away layers of his nine decades of life to expose the blood and bone of a human being in his third memoir and twenty fifth book Song of My Life Petrakis is unsparing in exposing his own flaws from a youthful gambling addiction to the enormous lie of his military draft to a midlife suicidal depression Yet he is compassionate in depicting the foibles of others around him Petrakis writes with love about his parents and five siblings with nostalgia as he describes the Greek neighborhoods and cramped Chicago apartments of his childhood and with deep affection for his wife and sons as he recalls with candor comedy and charity a writer's long fully lived life Petrakis recounts the near fatal childhood illness which confined him to bed for two years and through hours of reading during the day and night nurtured his imagination and compulsion toward storytelling A high school dropout Petrakis also recalls his work journey in the steel mills railroad depots and shabby diners of the city There is farce and comedy in the pages as he describes the intricate framework of lies that drove his courtship of Diana who has been his wife of sixty nine loving years Petrakis shares his struggles for over a decade to write and publish and finally poignantly describes the matchless instant when he holds his first published book in his hands The chapters on his experiences in Hollywood where he had gone to write the screenplay of his best selling novel A Dream of Kings are as revealing of the machinations and egos of moviemaking as any Oliver Stone documentary Petrakis's individual story as fraught with drama and revelation as the adventures of Odysseus comes to an elegiac conclusion when at the age of ninety he ruminates on his life and its approaching end With a profound and searing honesty this self exploration of a solitary writer's life helps us understand our own existences and the tapestry of lives connecting us together in our shared human journey      My Life on the Australian Turf James Scobie, 1929      **My Life with Trains** Jim McClellan, 2017-06-16 A vivid memoir of a long career in the industry packed with color photos Classic Trains Named one of the 75 People You Should Know by Trains Magazine Jim McClellan was a railroading legend and one of the railroad industry's titans An iconic and innovative executive McClellan participated in the creation of both Amtrak and Conrail and worked for the Norfolk Southern the New York Central US Railway Association and the Federal Railroad Administration My Life with Trains combines a world class photographer's love of railroading with the insights of a government and railroad official The book provides a short historical overview of the changes in the industry recounts McClellan's experience at various railroads and offers personal reflections on a lifetime of working with and chasing trains Expertly detailed with over 250 stunning color photographs My Life with Trains covers sixty years as observed by a legendary railroad strategist      My Life, Our

Lives Roger Molina,2011-04-18 This autobiography is about a young man growing up during the great depression who fought in WW2 came home and started a family retired from the military and pursued a second civilian career You hear his frustration and joy in his own words as if he was speaking to us      *My Life of Ministry, Writing, Teaching, and Traveling*

Mark G. Boyer,2021-02-04 In *My Life of Ministry Writing Teaching and Traveling* The Autobiography of an Old Mines Missionary I present my life as a child growing up in a French village about sixty miles south of St Louis in the middle of the twentieth century After eighteen years of life in Old Mines the oldest settlement in the state of Missouri I moved to St Louis for four years and then to St Meinrad Indiana for four years where education opened my eyes to a world very much larger than my village of origin Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin Missouri Because my life is the thread stitching together this book I have made it manageable by dividing it into four categories ministry writing teaching and travel These categories contain the stories of others whose life threads of seventy years are woven into my lifetime tapestry This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life      *Passages*

Anne Hamre,2016-08-02 Set in the early years of the 20th Century when travel was measured in increments of days and weeks rather than hours and minutes this epic family saga transports readers across three continents Europe Australia and North America It chronicles not just the disparate climates and lifestyles encountered in such far flung places and the long passages between them but the lives that are changed by these travels We follow Anne Roberts and Frank Evans from their first encounter on Anne s family farm in North Wales through the evolution of their friendship romance and eventual marriage While Frank goes off in a multi continent search for affordable land where he can support the young couple and fulfill his dream of starting a dairy Anne defies society s expectations and acting upon her considerable drive intelligence and independence becomes a school teacher When the two finally relocate to Canada and marry Anne demonstrates the same determination will and adaptability that allowed her to flourish during Frank s long travels and many travails and commits all her energy to making their marriage and their future successful With *Passages* Anne Hamre offers an intricately researched authentically rendered portrait of both the hardships and the triumphs of the age Readers will share in the longing felt while desperately waiting for letters bearing news of a distant lover and in the joy and the uncertain dangers of discovering friendship among strangers when travelling in faraway lands and across oceans They will experience the piercing ache of loss near and afar recognize the myriad sources of a spouse s worry feel the lifting of spirit that is found in community and celebrate the enduring steadiness of a couple s true love      *My life and recollections*

George C. Berkeley,1865 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available

again for future generations to enjoy      **My Life and Recollections** Grantley Fitzhardinge Berkeley,1865      *Passages from the Life of a Philosopher* Charles Babbage,2019-07-20T21:10:32Z Charles Babbage was a Victorian polymath and someone with a seemingly never ending intellectual curiosity about the world around him A mathematician by training he also wrote copiously on subjects such as economics physics engineering computation cryptography religion and education along with conducting practical experiments with pretty much anything that had grabbed his interest at the time Today he is widely viewed to be the father of the computer with his Difference and Analytical Engines Although neither were fully completed during his lifetime a working replica of the Difference Engine was built in the 1990s and an Analytical Engine is currently in the planning stages This autobiography first published near the end of his life in 1864 veers from topic to topic and rarely settles on any subject for more than a chapter Apart from his early life and an explanation of the thinking behind his computing Engines Babbage also transcribes his memories of climbing into an active volcano arguing with street musicians picking locks standing in elections and imagining life as a cheese mite among other diverse subjects The original meaning of the titular word Philosopher is lover of wisdom and this book shows Babbage to be just that This book is part of the Standard Ebooks project which produces free public domain ebooks      **My Life / Inside Out** Angelo R. Avila, Jr.,2013-02-26 My unstructured upbringing and cares to the wind attitude led to my frequent incarceration from childhood to adulthood it is a disturbing story which is primarily aimed at the adult reading audience who enjoy reading about reality situations and crime I have always been a reader and to a large extent that helped me become a self taught person Born on the banks of the Colorado River in Arizona and raised up in the Marcos De Niza barrio projects in South Phoenix I experienced the injustices of the cotton fields Maricopa County Juvenile Detention Home and Arizona State Industrial School at Fort Grant Arizona I wandered the desperate streets of Los Angeles and the forlorn railroad tracks alone like a lost person without a purpose in life I was locked up in the jails of Phoenix and Los Angeles before winding up in the California State penitentiary system Upon my release I struggled to stay out of the pen and took the jobs that society at large would never want to take Through numerous personal tragedies incarcerations and unfortunate circumstances I lost control of my life No one was ever able to change my destructive behavior The changes when they occurred came from within me when I could no longer cope with the situations I had cast my self into Looking back I can now see what I couldn't see during those hopeless time periods I was very fortunate to finally be able to leave that life behind me through relationships that believed in me and successfully worked and built myself a civil service work career from which I retired I now spend my days enjoying life's simple pleasures after all my previous tragic missteps My objective in life now is to become an accomplished writer
